Hafa Adai Ms. Kathleen Lamorena, Dr. Swanson, Senator Jesse Lujan, Speaker Frank Blas, Jr., and Governor Lou Leon Guerrero,

I hope this email finds you well.

I am writing to share that the Tamuning Municipal Planning Council has officially reaffirmed its support for the conversion of Chief Brodie Elementary School into a middle school. Attached to this email, you will find Tamuning-Tumon-Harmon MPC Resolution No. 2025-001 and accompanying documents, which outlines our commitment to enhancing educational opportunities for our community's students.

We believe that this change will provide significant benefits to the educational landscape in our region, fostering an environment that better meets the developmental needs of our children as they transition into their teenage years.

We appreciate your continued attention to this important matter and look forward to your support in making this vision a reality for our community.
