**AMENDMENT 1**

**Prospective Bidder:**

Kindly refer to our **IFB 011-2025 Outright Purchase of Mid-Size SUV for Head Start Program**, obtained by your company for consideration. Please see GDOE Response to questions submitted by Vendor below, see from and to change highlighted on the Bid Form.

**Triple J Questions:**

ENGINE: Please remove unnecessary turbocharged specification.

**GDOE Response:** The inclusion of the turbocharged specification was based on the product offering in response to our inquiry. However, upon further review, we acknowledge that this feature may not be essential to the operational requirements of the engine. We will revise the specification on the Bid Form to remove the reference turbocharged to ensure it does not unnecessarily limit competition or inflate costs, while still meeting performance needs.

TRANSMISSION: Please allow industry standard transmission to 6-speed automatic transmission with overdrive minimum.

**GDOE Response:** Equivalent or superior transmission systems may be considered, provided they meet or exceed the operational performance and fuel efficiency of a 6-speed automatic transmission with overdrive.

WHEELS: Please amend to read 17 inch alloy wheels minimum.

**GDOE Response:** Wheels shall be a minimum of 17-inch alloy type. Steel wheels are not acceptable unless specifically approved as an equivalent by the procuring authority.

EXTERIOR LIGHTING: Please remove unnecessary fog lights specification.

**GDOE Response:** Exterior lighting shall include standard headlamps, brake lights, turn signals, and reverse lights. Fog lights are not required and should be excluded from the specifications.

STANDARD ACCESSORIES: Please clarify if tinting is factory tint only or aftermarket **tint**.

**GDOE Response:** Window tinting, if specified, is to be factory-installed tint only or if aftermarket tinting is acceptable.

We kindly request for extension of bid opening deadline to 7/04/25 due to more time needed to compete bid package.

**GDOE Response:** Unfortunately GDOE is unable to extend this solicitation, due to the funding expiring on June, 2025.
