Grade Level(s)	PRIVATE NON-PUBLIC SCHOOLS				PUBLIC SCHOOLS (e.g. GDOE & CHARTER)			
	Students	Parents	Teachers	Admin.	Students	Parents	Teachers	Admin.
Pre-K – 5					11,464 + 1,059 = 12,523		795 + 51 = 846	98 + 9 = 107
6 – 8					5,455 + 670 = 6,125		486 + 35= 521	
9 - 12					8,729 + 303 = 9,032		539 + 23 = 562	

LIST THE PROJECT GOALS:

During the 3-year cycle, the main goal of Project Life Readiness is to better prepare all learners to be successful in higher education or a career by providing them high quality, engaging instruction, additional academic & non-academic learning experiences & opportunities, and rigorous, meaningful and relevant curriculum through professional development and curriculum development opportunities for teachers and college and career readiness activities and supports for students. The goal gives students the chance to explore, identify, and build their competencies for a successful transition to college or the workplace.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

LIST THE PROJECT OBJECTIVES:

- 1: Teachers, who participate in the professional development, will accrue the knowledge and skills to implement high-quality, relevant CTE, AP, and STEAM curricula to meet the needs of all Guam students.**
- YEAR 2: 86% of those who completed the self-reflection survey will report being more knowledgeable and increased use of the teaching strategies as a result of the CTE, AP and STEAM professional development training.
- 2: Students, who are exposed to the modified teaching and curricula, will demonstrate increased academic achievement in the form of improved course grades, AP test scores, WorkKeys Assessments scores, and NCRC certification.**
- YEAR 2: 65% of students will earn a “C” or better in the CTE and AP/Honors taken; and AP test takers scoring a 3 or higher will increase by 3% from baseline data.
 - YEAR 2: 86% of test takers pass the WorkKeys Assessment with a bronze score or higher and achieve a NCRC certificate.
- 3: Students, who are exposed to Opportunities and Experiences in academic, visual performing arts, and sports events, will demonstrate increased academic confidence and engagement.**
- YEAR 2: 65% of students who participate in Academic Special Events, Visual Performing Arts (art, music, dance, theater programs), and STEAM opportunities will demonstrate increased learning engagement and confidence in handling academic work.
- 4: Opportunities and Experiences in College/Career Readiness events to help guide their decision about the path they want to pursue after high school.**
- YEAR 2: 35% of participating students will be more knowledgeable about college and career options and indicate an interest in pursuing a college or career pathway, as evidenced by self-reflection surveys.

PART I: Section 1. *Activities & Work Accomplished*

COMPONENT & ACTIVITIES (including travel)	WORK ACCOMPLISHED & PRIMARY DATA GENERATED
<p>➤ In this column, list all the Project Components.</p> <p>➤ <u>In bullet form</u>, list all the specific activities falling under each Component.</p> <p>➤ <i>Insert Additional rows as needed.</i></p>	<p>➤ For each activity listed in the previous column, state the status of each activity (<i>ongoing, delayed, or completed</i>), and describe the details of the work accomplished during the period. Specify the <i>what, when, where, how, how many participants (a primary data or ‘count’)</i>, etc. Primary data may be presented in narrative form, or as a table or graph.</p> <p>➤ If there was an activity that was not implemented during this reporting period, then simply indicate “REPORTING ON THIS ACTIVITY NOT APPLICABLE FOR THIS QUARTER”. Include the reason why the activity was not conducted for the quarter.</p>

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

<p>1.1 Rigorous Academic and Technical Courses with High-Quality Instruction</p> <p>1.1.1 National Career Academies</p>	<p>1.1.1 National Career Academies Training: <i>Not Started</i></p> <p>Tiyan High School (THS) received MODEL certification for all three of their academies (<i>Business, Arts, and Information Technology or BAIT; Health and Human Services or HHS; Transportation, Logistics, and Construction or TLC</i>) and seven (7) school personnel are slated to attend the National Career Coalition (NCAC) Conference to present the results of the school's recent success. The conference was held in Chicago, IL from November 18–20, 2024. Please note this activity was for FY '23 project application.</p> <p>A cadre of four (4) administrators had attended the Association for Career & Technical Education (ACTE) <i>Career Tech Vision 2024 Conference</i> in San Antonio, Texas from December 4-7, 2024. The conference provided professional development and certification to strengthen knowledge and skills to ensure current and effective guidance and technical assistance if provided to all stakeholders. The project anticipates using the cadre to support CTE development opportunities for all schools.</p>
<p>1.1.2 Project Based Learning (PBL)</p>	<p>1.1.2 Project Based Learning (PBL): <i>Not Started</i></p> <p>Project personnel in collaboration with vendor, Deborah Ellen, successfully completed three (2) day sessions of Project Based Learning Training for GDOE elementary and secondary CTE and STEAM teachers to include <i>Guåhan</i> Charter Academy. On October 24-25, ten (10) participants completed <i>Revisiting Project Based Learning</i>; on October 24-25; November 17-18, forty-five (45) participants completed <i>Introduction to PBL</i>. Requisition 25000084 has been entered for this activity.</p>
<p>1.1.3 Visual Communication/Video Production & Broadcasting Program with Media Camera Equipment (Visual & Video Production/Broadcasting)</p>	<p>1.1.3 Visual Communication/Video Production & Broadcasting Program with Media Camera Equipment (Visual and Video Production/Broadcasting): <i>Not Started</i></p> <p>PO 20240507; Activity initiated June 2024 and is now completed. Classes sessions were conducted October 5, October 10, October 12, November 9, November 16 and 23rd. Participants from GDOE, Academy of Our Lady of Guam (AOLG), and Father Duenas Memorial School (FDMS) completed the <i>Digital Journalism Workshops</i>. The vendor Greenlight had procured equipment for this activity along with provide training to teachers on to create lessons for online platforms such as YouTube websites and other social media platforms. There is no further activity for this PO.</p> <p>Next steps for SY 25-26 is to determine the effectiveness and need for this activity and to begin a new scope of work for the requisition.</p>
<p>1.1.4 Computer Science/Information Technology Program</p>	<p>1.1.4 Computer Science/Information Technology Program: <i>Not Started</i></p> <p>Requisition 25000161 has been entered for this activity. The Project is currently waiting on the vendor to update the quotation, please note that this does not delay the process, just needs the quotation to be valid.</p>

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

1.1.5 STEAM Robotics PD	<p>1.1.5 STEAM Robotics PD –<i>Delayed</i></p> <p>Based on feedback from stakeholders and meetings with Project personnel, it was decided to pursue a local vendor for these services. The Project is awaiting a quote from the vendor to initiate the Requisition process. PD is tentatively set to take place during the Summer of 2025 for GDOE, Charter, and PNP teachers.</p>
1.1.6 STEAM Global GreenSTEM	<p>1.1.6 STEAM Global GreenSTEM – <i>Not Started</i></p> <p>Requisition 25000118 has been entered to procure professional services. The Project is working with procurement to expedite a purchase order for this activity, in hopes to begin a summer or Fall 2025 professional development or Fall 2025.</p>
1.1.7 AP and Pre-AP Summer Institute	<p>1.1.7 AP and Pre-AP Summer Institute: <i>Not started</i></p> <p>Requisition 25000162 has been entered for this activity. The Project is currently waiting on the vendor to update the quotation, please note that this does not delay the process, just needs the quotation to be valid. The Project is working closely with Procurement to push this activity.</p>
1.1.8 Career and Technical Education (CTE) Workshop—Career Exploration	<p>1.1.8 Career and Technical Education (CTE) Workshop—Career Exploration: <i>Ongoing</i></p> <p>Career Exploration was renewed for its 4th and Final Renewal of Agreement (PO 20241805). Agreement was executed September 30, 2024. The Project plans to start training sessions, tentatively scheduled for the 2nd Quarter of 2025. Additionally, the vendor will incorporate Artificial Intelligence (AI) focused training to address that growing industry and how it directly impacts the GDOE. Requisition will be entered to begin the FRP for this activity. The Project is currently developing the scope of work.</p>
<p>1.2 College, Career Oriented and Technical Programs and Assessments</p> <p>1.2.5 CTE Academies</p> <p>1.2.6 Skilled Labor & Trades Academy</p>	<p>1.2.5 CTE Academies: <i>Ongoing</i></p> <p>Aside from the monthly meetings with the service provider (<i>Guam Community College</i>), the CTE programs continue at the seven (7) GDOE high schools (<i>GWHS, JFKHS, OHS, SSHS, SHS, THS, and JPTSA</i>). At the time of reporting assessment for SY24-25 was not available and will be ready at the end of SY24-25.</p> <p>1.2.6 Skilled Labor & Trades Academy: <i>Delayed</i></p> <p>Requisition 2500081 has been entered to procure professional services and the Project awaits a new purchase order to continue Skilled Labor and Trades Academy activities. This activity typically is implemented in December during the Christmas Break.</p>

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

1.2.8 Career Interest Inventory Management & Assessment	<p>1.2.8 Career Interest Inventory Management & Assessment: <i>Ongoing</i></p> <p>Program is active. Purchase Order 20250062 (FY23) was issued in December 2024 for SY 24-25. Project personnel, in collaboration with the School Counselor Coordinator, distributed program login information to access the program. Project personnel will check in with elementary counselors regarding the effectiveness of the program and implementation during 2nd quarter. Requisition 25000095 has been entered for FY24 funds.</p>
1.2.11 Pre-AP; AP	<p>1.2.11 Pre-AP; AP: <i>Ongoing</i></p> <p>Project personnel provided the updated scope of work to the vendor to provide a price quote. Vendor is finalizing details of quote. Once project receives the updated information, Requisition will be input and released in workflow for the Pre-AP, AP Professional Development Training.</p> <p>Project personnel entered Requisition 25000091 for AP Exams for SY 24-25. Challenges in procuring the AP Exams were the late payments due to College Board for SY 23-24 (PO#20240253). The delay in ordering AP Exams for two (20 high schools (George Washington and Okkodo HS) was due to schools submitting invoices timely. This also affected timely payment to the vendor. In an effort to resolve, project personnel continue to track payments and follow up with GDOE's Accounts Payable to resolve the matter.</p>
1.2.12. College Fair	<p>1.2.12. College Fair: <i>Delayed</i></p> <p>Requisition 2500179 has been entered to procure logistical support to execute College Fair activities. Project personnel plans to conduct a fair during in March 2025. Procurement is working closely with the Project in expediting this. Stakeholder feedback with high school counselors was held on December 12, 2024 to discuss the planning and format for the College Fair. In addition, the Project also discussed recommendations and improvements based on last year's College Fair. The proposed plan is to have grade 9-10 students participate in the college readiness fair in the Spring and 11-12 grade students participate in the college fair in Fall 2025.</p>
1.2.14. Science, Technology, Engineering Arts and Math (STEAM) Mentoring	<p>1.2.15. Science, Technology, Engineering Arts and Math (STEAM) Mentoring: <i>Delayed</i></p> <p>Requisition 25000166 has been entered to procure support to provide STEAM Mentoring services. The Project plans to continue and improve services under this activity. Services are intended for grades K-12, for afterschool and summer activities. The Project plans to collaborate with Project 3 on the after school activities to identify schools to receive supports in 4H to maintain, expand or initiate new activities such as sustainable raised bed gardens.</p>
<p>1.2.15. College Readiness Programs</p> <p>a. National Technical Honor Society</p> <p>b. Skills USA</p> <p>c. National Career Academy Coalition</p> <p>d. ACTE Memberships</p> <p>e. Health Certificates</p> <p>f. Health First Aid Certification</p>	<p>a. The Project has received few responses from schools that intend to participate. Update provided to NTHS to update quote. Pending NTHS response to input into munis.</p> <p>b. National Technical Honor Society – <i>Delayed</i></p> <p>Project personnel will be working with School Counselor Coordinator and school principals to identify if there is interest in Skills USA to proceed with Requisition entry.</p>

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

<p>g. Driver's License Education</p>	<p>c. National Career Academy Coalition - - <i>Completed</i> – Tiyan High School (THS) was honored by the National Career Academy Coalition (NCAC) as a MODEL career academy school, with three of its academies recognized for excellence in integrating academics with real-world career experiences in May 2024. School staff and administrators presented on behalf of the district November 18, 2024 at an NCAC conference in Chicago, IL.</p> <p>d. ACTE Membership - <i>Ongoing</i>—The Project is pending an updated quote for renewal of current ACTE Memberships. Vendor advised a new survey to be sent out with the bulk application to be completed by the school administrator. Pending responses of intent to renew before vendor finalizes quote.</p> <p>e. Health Certificates - <i>Ongoing</i>—Project personnel obtained a new price quote for the Department of Public Health and Social Services (DPHSS) health workshop and certificates and released Requisition 25000116. The Project is currently working with school principals to identify students to send to the workshop.</p> <p>f. Health First Aide Certificates - <i>Ongoing</i>—The Project has identified a vendor to provide the Health First Aid Certification. Once procurement has established the vendor, Requisition 25000171 will be released into the workflow. The Project has also sought alternative other options to avail of Health First Aid Certification by our GDOE head nurse, Julietta Quinene.</p> <p>g. Driver's License Education - <i>Ongoing</i>—Current challenge is the unresponsiveness to GDOE's Requisition for quote for driver's license classes. Challenges reported by vendor is that the target number of students to take driver's classes is beyond their capacity. Scope of work to be revisited to allow flexibility of scheduling and lists of qualifications expected of vendor. The Project along with Procurement is currently exploring the possibility of split vendors to reduce the number of students needing services.</p>
<p>1.3 Specialized Events, Skills Training and Opportunities</p> <p>1.3.1 STEAM Enrichment Planning</p> <ul style="list-style-type: none"> a. STEAM Mentoring b. Year-Long Requisition . c. College Readiness Math & English Camp d. Career Exploration e. Dual Enrollment 	<p>a. STEAM Mentoring Please reference 1.2.14 STEM Robotics Competition is schedule to take place in March 2025. Registration had closed in December 2024. The Project will be meeting with the teams in January to discuss the logistics of the competition.</p> <p>b. Please reference 1.2.14</p> <p>c. College Readiness Math & English Camp – <i>Not started</i> Requisition 25000182 has been entered. This activity will commence once a purchase order was received.</p> <p>d. Career Exploration - <i>Ongoing</i> Please reference 1.1.8</p> <p>e. Dual Enrollment – <i>Not Started</i></p>

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

Observations and/or Challenges

List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?

At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.

Challenges with processing procurement items in a timely manner continue. Not having requisitions convert to purchase orders by September 30, 2024 has caused the Project to reenter requisitions in the new fiscal year. In addition, the delay in the MUNIS opening up in late December 2024 has also added to the delays.

Additional challenges with the two (2) vacant personnel positions Program Coordinator IV (Project Lead) and Program Coordinator III has also added to the Project implementing activities in a timely manner. The Project Lead, Mr. Leon Bamba had retired in June 2024 leaving the Program Coordinator III as an acting lead. The Project had also proceeded to fill the vacant, PCIII position in August 2024, however a hiring freeze across the department was implemented. As of January 2025 all vacant positions for CG funded personnel are allowed to proceed with hiring.

In November 2024, Mr. Joshua Blas was detailed as Acting Project Lead (locally funded personnel) to support the project. In December 2024, he was detailed as Interim Project Lead for Life Readiness until further notice.

What methods, tools, and processes are used to evaluate outcomes and the quality of implementation?

LR uses a variety of tools to evaluate the effectiveness of the Project and activities being implemented. This quarter LR has used perception surveys, project meetings and training evaluations. Evaluation results will be used to improve the implementation of the project along with doing any recommended corrective actions. Also, collaborative meetings with administrators help ensure smooth implementation and school involvement in the design. LR is committed to maintaining communication with school administrators and all stakeholders. Stakeholders have been involved in planning the implementation of activities.

LIST THE PROJECT GOALS:	By providing supplemental supports, professional services, and materials, the Curriculum – Instruction – Assessment (CIA) Project endeavors to 1) increase teacher recruitment, induction, and retention; 2) improve the effectiveness of teaching practices; and 3) increase monitoring of student achievement.
LIST THE PROJECT OBJECTIVES:	Annual Objective 1: The CIA project will increase teacher recruitment, induction, and retention rates with services that support the teacher certification process, mentor new teachers, and coach seasoned teachers.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

- Year 1: The CIA project will increase the number of Highly Qualified Teachers [in the classroom] by 20 teachers from the previous school year as shown by the number of teachers who complete the Initial Teacher Certification Assistance Program.
- Year 2: The CIA project will increase the number of Highly Qualified Teachers [in the classroom] by 24 teachers from the previous school year as shown by the number of teachers who complete the Initial Teacher Certification Assistance Program.
- Year 3: The CIA project will increase the number of Highly Qualified Teachers [in the classroom] by 26 teachers from the previous school year as shown by the number of teachers who complete the Initial Teacher Certification Assistance Program.

- Year 1: The CIA project will increase the teacher retention rate by 5% from previous baseline of 1,910.
- Year 2: The CIA project will increase the teacher retention rate by 5% from the previous school year.
- Year 3: The CIA project will increase the teacher retention rate by 5% from the previous school year.

- Year 1: Through web-based surveys and classroom observations, 70% of mentored or coached teachers will report or show improved instructional practices as a result of supports provided.
- Year 2: Through web-based surveys and classroom observations, 75% of mentored or coached teachers will report or show improved instructional practices as a result of supports provided.
- Year 3: Through web-based surveys and classroom observations, 80% of mentored or coached teachers will report or show improved instructional practices as a result of supports provided.

Annual Objective 2: The CIA project will increase teacher effectiveness by providing professional development opportunities, instructional supports, resources and materials, and technology tools.

- Year 1: Through web-based surveys and classroom observations, 80% of teachers who participate in professional development opportunities will report or show increased use of research-proven instructional strategies used in the classroom.
- Year 2: Through web-based surveys and classroom observations, 83% of teachers who participate in professional development opportunities will report or show increased use of research-proven instructional strategies used in the classroom.
- Year 3: Through web-based surveys and classroom observations, 86% of teachers who participate in professional development opportunities will report or show increased use of research-proven instructional strategies used in the classroom.

- Year 1: 80% of teachers who participate in professional development opportunities will report increased student engagement through web-based surveys.
- Year 2: 83% of teachers who participate in professional development opportunities will report increased student engagement through web-based surveys.
- Year 3: 86% of teachers who participate in professional development opportunities will report increased student engagement through web-based surveys.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

- Year 1: Teachers will demonstrate increased capacity to use the interim and formative assessment tool to monitor Tier 3 students in Reading and Math, and a baseline will be established at the end of SY 23-24.
- Year 2: Teachers will demonstrate increased capacity to use the interim and formative assessment tool to monitor an increased student caseload of 3% of Tier 3 students in Reading and Math from baseline.
- Year 3: Teachers will demonstrate increased capacity to use the interim and formative assessment tool to monitor an increased student caseload of 5% of Tier 3 students in Reading and Math from baseline.

Annual Objective 3. The CIA project will increase the monitoring of student achievement by using student interim and summative assessments.

- Year 1: Students performing at Tier 1 and Tier 2 levels in Reading will increase to 64% as a result of the interventions they received as measured by the interim assessment system.
- Year 2: Students performing at Tier 1 and Tier 2 levels in reading will increase to 66% as a result of the interventions they received as measured by the interim assessment system.
- Year 3: Students performing at Tier 1 and Tier 2 levels will in reading increase to 68% as a result of the interventions they received as measured by the interim assessment system.
- Year 1: Students performing at Tier 1 and Tier 2 levels in Math will increase to 48% as a result of the interventions they received as measured by the interim assessment system.
- Year 2: Students performing at Tier 1 and Tier 2 levels in Math will increase to 50% as a result of the interventions they received as measured by the interim assessment system.
- Year 3: Students performing at Tier 1 and Tier 2 levels in Math will increase to 52% as a result of the interventions they received as measured by the interim assessment system.
- Year 1: Students performing at Level 3 and Level 4 in Reading will increase to 16% as a result of the interventions they received as measured by the summative assessment system.
- Year 2: Students performing at Level 3 and Level 4 in Reading will increase to 18% as a result of the interventions they received as measured by the summative assessment system.
- Year 3: Students performing at Level 3 and Level 4 in Reading will increase to 20% as a result of the interventions they received as measured by the summative assessment system.
- Year 1: Students performing at Level 3 and Level 4 in Math will increase to 9% as result of the interventions they received as measured by the summative assessment system.
- Year 2: Students performing at Level 3 and Level 4 in Math will increase to 11% as result of the interventions they received as measured by the summative assessment system.
- Year 3: Students performing at Level 3 and Level 4 in Math will increase to 13% as result of the interventions they received as

measured by the summative assessment system.

PART I: Section 1. *Activities & Work Accomplished*

COMPONENT & ACTIVITIES (including travel)	WORK ACCOMPLISHED & PRIMARY DATA GENERATED
<p>➤ In this column, list all the Project Components.</p> <p>➤ <u>In bullet form</u>, list all the specific activities falling under each Component.</p> <p>➤ <i>Insert Additional rows as needed.</i></p>	<p>➤ For each activity listed in the previous column, state the status of each activity (<i>ongoing, delayed, or completed</i>), and describe the details of the work accomplished during the period. Specify the <i>what, when, where, how, how many participants (a primary data or 'count')</i>, etc. Primary data may be presented in narrative form, or as a table or graph.</p> <p>➤ If there was an activity that was not implemented during this reporting period, then simply indicate “REPORTING ON THIS ACTIVITY NOT APPLICABLE FOR THIS QUARTER”. Include the reason why the activity was not conducted for the quarter.</p>
<p>2.1. Teacher Recruitment, Induction, and Retention</p>	<ul style="list-style-type: none"> • Online teacher observation tool: The observation tool, Power Walkthrough, is used by administrators, district mentors, school-based mentors, and coaches to provide feedback to teachers. • Initial Teacher Certification Assistance program The new ITCA RFP was published in the 2nd Quarter. • Teacher mentoring: Initial Teacher mentoring services and School based mentor Professional Development are currently ongoing. 76 new teachers (Mentees) are being mentored at various GDOE schools throughout the island by 51 School-based mentors. 4 <i>District</i> mentors and 51 <i>school-based</i> mentors provided services to these 76 mentees. Services provided were: Mentor orientations in September, New Teacher Professional Learning Seminars were conducted On November 12, 13, and 14, 2024. 2 Charter Schools also opted to participate in mentoring: 2 district mentors are providing support. • Teacher coaching: Instructional Coaches are providing direct services to their school sites daily. 19 coaches are assigned to assist 41 schools and support various numbers of teachers at each school, depending on the needs of each school. Some schools need more professional development; others would like to focus on professional learning communities (PLCs), and some others need direct 1:1 coaching support for some teachers. • Coaching and Mentoring Professional Development: Instructional coaches were assigned to schools to provide the following supports (ongoing): <ul style="list-style-type: none"> ○ Promoted and assisted with the implementation of district initiatives ○ Helped to facilitate discussions on using data to drive instruction ○ Organized professional development opportunities for teachers • Coaching and Mentoring Professional Development workshops were conducted monthly by the vendor, University of Guam, who sub-contracted <i>Learning Forward</i>, a leading organization dedicated to advancing professional learning for K-12 educators, to conduct the PD.

QUARTERLY REPORT
Grant Award #: S403A240002**

<p>2.2. Effective Teaching Practices</p>	<p>Professional Development:</p> <ul style="list-style-type: none"> Obligated contracts were executed at the end of last fiscal year (Sept. 2024). These activities include a Cooperative Learning contract, a renewal for Coaching/Mentoring training, Next Generation Science Standards (NGSS) training, and a Conscious Discipline training contract. We are targeting training to take place in the second quarter of FY2025 (FFY'24, est. January - March 2025). Travel to Professional Conferences: <ul style="list-style-type: none"> 2024 National Association for Gifted Children Conference (NAGC): Nov. 21-24, 2024 Seattle, WA (5 Charter School Teachers, 2 GDOE Teachers). This conference provides training for teachers of high-ability students. 2024 Solutions Tree Mathematics Summit: December 3-5, 2024 Baltimore, MD (4 Charter School Teachers, 2 GDOE Teachers). This conference is geared to help teachers of Mathematics. 2024 Learning Forward National Conference: December 8-11, 2024 Denver, CO (3 Charter School Teachers) This conference is how to plan, implement, and measure high-quality professional learning that changes educator practice and improves results for all students.
<p>2.3. Specialized School Supports</p>	<ul style="list-style-type: none"> Library Improvement: Subscription services for a library tracking system and a media subscription service are ongoing. PreK Academics GDOE continues to collaborate with the Department of Public Health and the Guam Early Learning Council to provide training to early childhood education teachers and staff. Gifted and Talented Education: Gifted and Talented Education (GATE) teachers are being provided with supplies and materials for their classrooms. Contracts for Early Childhood Education and a Gifted and Talented training focusing on high-ability students have made it through our procurement process late towards the end of the fiscal year and we hope to implement services in the second quarter of FY'2025 (Q2 FFY'24). Student Planners: A RFP for this contract is funded by the Consolidated Grant and is out for pre-publication. We hope to get a contract this quarter of FY'2025/FFY'24 Q2 Bandwidth and Internet access Expansion: The project renewed a purchase order for bandwidth expansion services with a local vendor to increase bandwidth to 41 schools by adding 500Mbps with 50% bursting symmetrical data.
<p>2.4. Interim and Summative Assessments:</p>	<ul style="list-style-type: none"> Alternate Assessments: This activity in to support special education students that require additional services/ supports to participate in district assessment efforts. Universal PreK and Kindergarten Screener Kits: Currently procuring assessment kits for Gifted and Talented Education. A requisition entered last fiscal year did not make it through the procurement process. Online Interim & Summative Assessments: Online Interim and Summative Assessments were procured in December 2023 and the project staff worked with the vendor to set the system up and train district personnel on the

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

use of the system and the administering the tests. GDOE went live with the District Wide Summative Assessment (DWA): Smarter Balanced Assessment Consortium last April, which included participation from various Charter and Private schools. New Interim Assessments were conducted this December, and the results will be reported soon. The Project was able accomplishment to obligate and encumber a 1.1M contract for Smarter Balanced for a Year 2 renewal.

- **Universal Screeners:** Gifted and Talented teachers are currently using an online Universal Screener, Pearson's NNAT3, to screen their students for giftedness.
- **Longitudinal Assessment Database:** The Project is procured a license for the longitudinal database, Linkit! and is working with the vendor to implement services.
- **Digital online curriculum and assessment (SIFA Charter School)** This activity is currently being procured.

--	--	-----------------	--	-----	--	--	--	--	--

PART II: *Successes, Challenges, and Evaluation*

Evidence of Success/Progress

Per component, list quantifiable evidence using performance measures data, that supports the project's tracking towards success/progress in meeting its annual objectives (e.g., higher number of teachers retained from SY-SY, decrease in dropout rates by X% from SY-SY, % increase in 7th grade reading scores on TEST from SY-SY).

Since the CIA project has pending data on all of its performance measures, the earliest reporting of which will occur in the 3rd fiscal quarter, the list of quantifiable evidence to its successes is on hold until the data are presented.

Observations and/or Challenges

List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?

At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.

Due to a large number of ARP funded requests processed by our procurement office, many of our contracts were delayed implementation. We are currently conducting professional development using Consolidated Grant Fiscal Year 2023 funds, as some of purchase orders were issued near the end of the fiscal year (September 30, 2024) and a few P.O.s had to be modified to change some funding sources, further delaying 1st Quarter implementation.

A current hiring freeze for Central Office program coordinators has affected the project's ability to provide timely service to its stakeholders. The project has 2 vacancies it is trying to fill, but has not been able to due to the hiring freeze.

What methods, tools, and processes are used to evaluate outcomes and the quality of implementation?

Web-based surveys, on-site monitoring, observations, meetings and discussions with schools will be conducted, supports provided by district mentors and coaches will be employed, as well as monitoring of the AIMSweb formative assessment tool will be tracked.

<p>LIST THE PROJECT GOALS:</p>	<p>The project's three-year goal is to enhance teaching and learning by supporting at-risk, underrepresented, and special populations through teacher professional development, tutoring, core subject interventions, and credit recovery. These efforts aim to improve teacher efficacy and boost student achievement.</p> <p>The Classroom Supports and Interventions project will implement 4 components to address these needs: 1. Professional Development, 2. Classroom Instructional Supports, 3. Interventions, 4. Credit Recovery.</p> <p>Professional development opportunities will allow teachers to build teacher capacity to better support at-risk, underrepresented, and special population students. Providing teachers with instructional resources will aid in enhancing teaching and learning. Training will focus on Plan, Do, Study, Act (PDSA) and the continuous improvement of best practices.</p> <p>Remediation and credit recovery will provide opportunities for students to recover learning loss to get students to the next grade level or be on track to graduate. Instruction will focus on student needs based on formative assessments and/or graduation status to close learning gaps.</p>
<p>LIST THE PROJECT OBJECTIVES:</p>	<p><u>Providing Professional Development to teachers will support the goal in increasing teacher capacity and competency in meeting the needs of students in special populations.</u></p> <p>3.1 Professional Development (State Systemic Improvement Plan (SSIP)/ English as a Second Language (ESL):</p> <ul style="list-style-type: none"> 24-25: 75% of teachers attending training will self-report level of feeling well-prepared implementing strategies learned in the classroom. <p><u>Providing after school activities support the goal in giving students opportunities for remediation to close deficiency gaps.</u></p> <p>3.2.1 After School Program for Instructional Remediation and Enrichment (ASPIRE)</p> <ul style="list-style-type: none"> 24-25: 60% of those in ASPIRE/Summer School K-8 will increase formative assessment scores by 10 points in reading and 30% of participants will increase formative assessments by 10 points in math. <p><u>Student Advocate& Mentors support the project goal by providing opportunities for students to understand graduation requirements and interventions afforded to them.</u></p> <p>3.2.2 Student Advocate & Mentor (SAM):</p> <ul style="list-style-type: none"> 24-25: 55% of 9th and 10th grade students mentored will be on grade level. <p><u>Second Chance supports the project goal by providing credit recovery opportunities to students in alternative settings.</u></p> <p>3.2.3 Second Chance:</p> <ul style="list-style-type: none"> 24-25: 50% of Seniors enrolled will graduate; 40% of Freshmen, Sophomore, and Juniors will progress to the next grade level; and 30% of incarcerated students in Youth Shelter will advance by 1 grade level. <p><u>Credit recovery supports the goals of the project by giving students opportunity to earn credit towards graduation.</u></p> <p>3.3.1 Credit Recovery (EP/ Summer):</p> <ul style="list-style-type: none"> 24-25: 75% (EP) & 75% (Summer) of participating high school students will earn credits towards graduation with a passing rate of 70% or higher. <p><u>Alternative Pathways supports the project goal by providing credit recovery opportunities to students in alternative settings, outside the traditional classroom environment.</u></p> <p>3.3.2 Alternative Pathways:</p>

Grant Award #: S403A240002

- 24-25: 70% of high school students ages 17-21 who are behind in credit to graduate will increase by 1 grade level.

PART I: Section 1. *Activities & Work Accomplished*

COMPONENT & ACTIVITIES (including travel)	WORK ACCOMPLISHED & PRIMARY DATA GENERATED
<p>➤ In this column, list all the Project Components.</p> <p>➤ <u>In bullet form</u>, list all the specific activities falling under each Component.</p> <p>➤ <i>Insert Additional rows as needed.</i></p>	<p>➤ For each activity listed in the previous column, state the status of each activity (<i>ongoing, delayed, or completed</i>), and describe the details of the work accomplished during the period. Specify the <i>what, when, where, how, how many participants (a primary data or ‘count’)</i>, etc. Primary data may be presented in narrative form, or as a table or graph.</p> <p>➤ If there was an activity that was not implemented during this reporting period, then simply indicate “REPORTING ON THIS ACTIVITY NOT APPLICABLE FOR THIS QUARTER”. Include the reason why the activity was not conducted for the quarter.</p>
<p>Component 3.1 Professional Development</p> <p>3.1.1 State Systemic Improvement Program (SSIP)</p> <p>Activity 25% Complete</p> <p>3.1.2 English as a Second Language (ESL)</p> <p>Activity 25% Complete</p>	<p>3.1.1 State Systemic Improvement Program (SSIP)</p> <ul style="list-style-type: none"> The SSIP Core Team met on Thursday, November 7, 2024, from 1:00 p.m. to 3:00 p.m. to review key data and discuss upcoming activities. The team analyzed Fall AIMSWEB screening data, screening administration data, and lesson progress data for resource room teachers to assess current performance and guide future actions. Reporting surveys were deemed not applicable for this quarter as initial trainings are still being conducted, allowing teachers time to practice and implement the strategies learned. The first surveys are scheduled for the 2nd quarter. Discussions also focused on planning follow-up activities to support teachers and align with the data reviewed. <p>3.1.2 English as a Second Language (ESL)</p> <ul style="list-style-type: none"> The project has procured professional services from eligible proponents to provide professional development for English as a Second Language (ESL) teachers and coordinators, regular classroom teachers, administrators, and project personnel. This initiative focuses on building teacher capacity and enhancing instructional strategies and practices in classroom instruction, emphasizing two critical topics: Pacific Islander Cultural Awareness and Second Language Acquisition. The professional development aims to equip educators with the necessary tools to address the unique needs of ESL students while fostering a deeper understanding of Pacific Islander cultural values and traditions. Training on Pacific Islander Cultural Awareness will help teachers create inclusive classroom environments by integrating culturally responsive teaching practices that respect and celebrate diversity. Meanwhile, the focus on Second Language Acquisition will provide educators with evidence-based strategies to support students’ language development effectively. This includes understanding the stages of second language development, scaffolding instruction, differentiating teaching methods, and using tools to assess and enhance language learning.

PART II: *Successes, Challenges, and Evaluation*

Evidence of Success/Progress

Per component, list quantifiable evidence using performance measures data, that supports the project's tracking towards success/progress in meeting its annual objectives (e.g., higher number of teachers retained from SY-SY, decrease in dropout rates by X% from SY-SY, % increase in 7th grade reading scores on TEST from SY-SY).

- On the CSI project's ASPIRE *Reading* activity, **38%** of elementary students (K-5th) and **43%** of middle school students (6th-8th) increased in their AIMSweb scores by at least 10 points in *Reading*, quite a good start considering the 1st quarter target which is 40%. It is tracking to meet the project's annual target of 60% for *Reading*.

Specifics:

For the SY 24-25, the ASPIRE Reading program is serving 1,391 elementary students, yielding valuable insights into their reading proficiency levels. During the 1st fiscal quarter, 33% (465 students) tested at Tier 1, indicating strong reading skills and proficiency. Another 18% (247 students) fell into Tier 2, showing moderate progress but requiring additional support to enhance their reading abilities. The remaining 49% (679 students) were at Tier 3, needing significant intervention to strengthen foundational skills. These results underscore the importance of differentiated instruction and targeted support to address the diverse needs of students, particularly those in Tiers 2 and 3, to foster improved literacy outcomes.

For the SY 24-25, the ASPIRE Reading program is supporting 123 middle school students, with assessments revealing varying levels of reading proficiency. During the 1st fiscal quarter, 19.5% (24 students) tested at Tier 1, demonstrating strong reading skills. Another 19.5% (24 students) were at Tier 2, indicating moderate progress with a need for additional support. The majority, 61% (75 students), were identified at Tier 3, requiring intensive intervention to build foundational reading skills. These results highlight the critical need for targeted strategies and resources to support middle school students, particularly those at Tier 3, as they work toward improving literacy and academic success.

- On the project's ASPIRE *Math* activity, **33%** of elementary students (K-5th) and **32%** of middle school students (6th-8th) increased in their AIMSweb scores by at least 10 points in *Math*, already exceeding the 1st quarter target which is 20%. Barring any unforeseen dips, it is tracking to meet the annual target of 40%.

Specifics:

For the SY 24-25, the ASPIRE Math program is engaging 1,391 elementary students, with assessments revealing diverse levels of mathematical proficiency. During the 1st fiscal quarter, 32% (450 students) achieved Tier 1 status, demonstrating strong mathematical skills. Another 23% (316 students) tested at Tier 2, indicating moderate progress and a need for further support. Meanwhile, 45% (625 students) were categorized in Tier 3, requiring intensive intervention to strengthen foundational math skills. These results emphasize the need for targeted instructional strategies and resources, particularly for students in Tier 2 and Tier 3, to enhance mathematical understanding and success.

For the SY 24-25, the ASPIRE Math program is supporting 114 middle school students, with assessments highlighting their varying levels of mathematical proficiency. During the 1st fiscal quarter, 18% (21 students) tested at Tier 1, demonstrating strong mathematical skills. Another 19% (22 students) were identified at Tier 2, showing moderate progress and a need for additional support. The majority, 62% (71 students), tested at Tier 3, requiring significant intervention to build foundational math skills. These results underscore the importance of focused strategies and resources to address the needs of students in Tiers 2 and 3, fostering improved mathematical outcomes.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

- On the project's Second Chance activity, **58%** of Seniors enrolled are on track to graduate, **53%** of Freshmen, Sophomores, and Juniors are on track to progress to the next grade level, already exceeding the annual target of 50% for both groups. Also, **100%** of incarcerated students at the Youth Shelters are showing progress.

Specifics:

In the Second Chance program, for the 1st fiscal quarter of FY '24, 22 out of 38 seniors (58%) and 62 out of 117 (53%) Freshmen, Sophomores, and Juniors are actively progressing with their graduation requirements, with four students having already completed them. Also, 21 out of the 21 (100%) of the students at the Youth Shelters continue with 1-1 instruction and progressing well. These achievements highlight the program's effectiveness in supporting student persistence and success in meeting academic goals.

- On the project's *Eskuelan Puengi* activity, participating high school students are earning credits towards graduation with a passing rate of 70% or higher. In the 1st quarter, Session A had **86%** credit earners, while Session B had **89%**, both groups exceeding not only the project's 1st quarter target of 65%, but even the project's annual target of 75%.

Specifics:

The *Eskuelan Puengi* Fall program successfully concluded Sessions A and B for the 1st fiscal quarter of FY '24, achieving impressive outcomes in supporting student learning and credit attainment. In Session A, 86% of enrolled students earned credit, while 78% of Session B participants reached the same milestone, showcasing the program's effectiveness. Additionally, stipend payments for staff involved in the program have been processed and are expected to be disbursed in January 2025, during the second quarter. These achievements reflect the program's commitment to enhancing academic success and providing timely support to both students and educators.

Observations and/or Challenges

List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?

At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.

There has been significant delays in the hiring process for School Aide I (Teacher Assistant) positions under the Classroom Supports and Interventions (CSI) project.

The CSI project initiated the Request to Fill (RTF) for additional School Aide I positions on October 29, 2024, to support at-risk students and ensure compliance with program objectives. The timeline of events is as follows: on October 29, 2024, the RTF was submitted by the CSI project; on November 5, 2024, the document reached the Budget Office for review; on December 10, 2024, the document was delivered to the Human Resource Division; and as of January 10, 2025, no new hires have been made. The prolonged timeline has critically impacted the project's ability to deploy Teacher Assistants to schools and utilize allocated funds effectively within the fiscal year.

The delays have negatively impacted the program in several ways. First, the absence of new hires has hindered efforts to provide timely academic and behavioral support to at-risk students. Second, delays in executing hiring have restricted the project's ability to fully expend allocated funds, posing a risk of reduced funding in future cycles.

What methods, tools, and processes are used to evaluate outcomes and the quality of implementation?

The project employs a combination of methods, tools, and processes to ensure effective monitoring and continuous improvement. Establishing baseline data using AIMSweb provides an initial point of reference to measure progress. By reviewing this data at multiple intervals, we can identify trends, monitor advancements, and adjust strategies to meet program objectives effectively.

Regular meetings and reports play a crucial role in maintaining alignment among all components of the program. Attendance tracking, surveys, and general briefings with stakeholders ensure that updates are shared consistently. These touchpoints allow the program team to reflect on outcomes and make necessary adjustments to improve implementation and results.

Evaluation interviews are another key component, providing a structured opportunity for feedback and professional development. These scheduled conversations, conducted during regular departmental training sessions for Teacher Assistants, enable the program to assess individual performance, set goals, and discuss areas for improvement. This process fosters growth and aligns individual efforts with program objectives.

Surveys conducted after professional development training sessions offer valuable insights into the activity's relevance and impact. Feedback from participants helps the program assess whether the training provided current and effective teaching strategies. Additionally, the surveys help determine if these research-based techniques are being successfully applied in the classroom, ensuring the training translates into improved instructional practices and student outcomes.

The Student Advocate & Mentor activity is currently below its intended target, with 37 out of 148 students (25%) reported. One high school, which shares its campus with another school, was unable to submit its data for inclusion in the report. The project has granted a late submission for this school, and the data will be updated and included in the next quarter's report. Additionally, the first semester grades for the 2024-2025 school year will be updated at the end of January 2025. Since this update falls outside the first quarter reporting period, it will not be reflected until the second quarter report, where a rise in the percentage of passing students is anticipated.

**LIST THE PROJECT
OBJECTIVES:**

4.1 Social Services & Outreach Teams: Addressing student/family challenges through a referral system will help remove barriers and allow students to come to school and focus on learning.

1. By the end of Year 3, SSOT will maintain or exceed the current successful completion rate of 96%.
 - Year 1: $\geq 96\%$ maintain or exceed successful completion (issue(s) addressed and resolved)
 - Year 2: $\geq 96\%$ maintain or exceed successful completion (issue(s) addressed and resolved)
 - Year 3: $\geq 96\%$ maintain or exceed successful completion (issue(s) addressed and resolved)
2. By the end of Year 3, SSOT will maintain or reduce the current pending cases rate of 4%.
 - Year 1: $\leq 4\%$ maintain or reduce pending cases rate
 - Year 2: $\leq 4\%$ maintain or reduce pending cases rate
 - Year 3: $\leq 4\%$ maintain or reduce pending cases rate

4.2 Positive Behavior Intervention & Support Framework: Successful and consistent implementation of the PBIS Framework creates a safe nurturing environment that is conducive to learning.

1. By the end of Year 3, of all schools who completed the Tiered Fidelity Inventory, there will be a 10% in school-site TFI results
 - Year 1: 2% increase in school-site TFI rate (at least 87%)
 - Year 2: 3% increase in school-site TFI rate (at least 90%)
 - Year 3: 5% increase in school-site TFI rate (at least 95%)

4.3 Promoting Positive Behavior and Safe School Environment: Providing social & emotional supports through appropriate intervention & supports help Tier II and Tier III students address their specific issues.

1. By the end of Year 3, the District-wide discipline rate will be maintained or reduced at the current rate of 30%
 - Year 1: Maintain or reduce the $\leq 30\%$ discipline rate
 - Year 2: Maintain or reduce the $\leq 30\%$ discipline rate
 - Year 3: Maintain or reduce the $\leq 30\%$ discipline rate
2. By the end of a Year 3, the District-wide suspension rate will be maintained or reduced at the current rate of 15%.
 - Year 1: Maintain or reduce $\leq 15\%$ suspension rate
 - Year 2: Maintain or reduce $\leq 15\%$ suspension rate
 - Year 3: Maintain or reduce $\leq 15\%$ suspension rate

4.4 Health & Safety: Interventions to promote healthier lifestyles and safer schools

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

1. Increase the number of students participating in health education activities by 10% annually
 - Year 1: Increase the number of student participants in health education activities by 10% from 204 for SY2021-22 from previous year
 - Year 2: Increase the number of student participants by 10% from previous year
 - Year 3: Increase the number of student participants by 10% from previous year
2. By the end of Year 3, 5% overall increase in the School Safety Perception Survey rate of 80%
 - Year 1: Maintain School Safety Perception Survey rate of 80%
 - Year 2: Increase School Safety Perception Survey rate to 82%
 - Increase School Safety Perception Survey rate to 85%

Staff Development (SD) activity, three (3) Professional Development (PD) activities and one (1) travel activity.

(5) Student Engagement Activities

- 10/12/24 – LPUMS SSOT conducted a canned food drive to support Tiyan High Students as they participated in the “Tower for Humanity” activity (27 participants).
- 10/23/24 – SSOT personnel set up display tables and disseminated program information during the Elementary School Parent Teacher Conferences (PTC) at Ordot Chalan Pago Elementary (OCPES) and Marcial A. Sablan Elementary School or MASES (89 participants).
- 10/24/24 – SSOT Personnel set up display tables and disseminated program information during the Middle School PTCs at Agueda I. Johnston Middle School (AIJMS), AsTumbo Middle School (ASTMS), Jose Rios Middle School (JRMS), and Oceanview Middle School (OMS) (131 participants).
- 11/21/24 – SSOT social workers set up a display table and disseminated information on PBIS to parents during Literacy Night at MASES.
- 11/08/24 – 11/22/24 – Luis P. Untalan Middle School (LPUMS) SSOT supported the school’s National Junior Honor Society food and hygiene drive.

(7) Parent Engagement Activities

- 09/26/24 – J.Q. San Miguel Elementary School (JQSMES) SSOT set up a display table and distributed project information during the JRMS Open House (15 participants).
- 10/05/24 – Chief Brodie Memorial Elementary School (CBMES) SSOT set up a display table and distributed project information during the Adacao Elementary School (AES) Parent Teacher Organization (PTO) meeting (35 participants).
- 10/23/24 – SCCE personnel set up display tables and distributed project information during Elementary School PTCs at AsTumbo Elementary School (ASTES), MASES, B.P. Carbullido Elementary School (BPCES), OCPES and Wettengel Elementary School (WES) School (168 participants).
- 10/24/24 – SCCE personnel set up display tables and distributed project information during Middle School PTCs at ASTMS, OMS, AIJMS and LPUMS (185 participants).
- 10/25/24 – SCCE personnel set up display tables and distributed project information during High School PTCs at Simon Sanchez High School (JFKHS Campus), and Tiyan High School (THS) (89 participants).
- 11/21/24 – SCCE personnel set up display tables and distributed project information during the MASES Literacy Night (22 participants).
- 12/10/24-12/12/24 – SCCE personnel hosted 3 parent information workshops at various locations (*Pagachao Community Center, Mongmong-Toto-Maite Community Center & Yigo Community Gym*), and provided information to parents from *Guam Contractor’s Association Trades Academy, Guam Community College Adult Education, Department of Labor* as well as providing information on school attendance and PBIS (105 participants).

(1) Staff Development Activities

- 11/21/24 – The Social Worker assigned Captain H.B. Price Elementary School (CHBPES) conducted training on claiming mileage for the three new social workers (1 trainer / 3 participants)

(3) Professional Development Activities

- 09/24/24 – 09/26/24 – SSOT Community Program Aides: David Quidachay, Heylla Towai and Dianne Quinata, attended the Guam Coalition Against Sexual Assault and Family Violence Conference (3 participants).

Travel Activity

10/17/24, 11/20/24 & 12/16/24 – Four (4) SCCE personnel conducted “*echo trainings*” for thirty-two project staff during the SCCE project monthly meetings. These sessions covered information gathered from off-island trainings that included: 2024 Innovative Summit, the 2024 National Association of Social Workers National Conference, the 22nd Annual Northwest PBIS Conference and the 45th LRP National Institute on Legal Issues of Education Individuals with Disabilities (4 trainers / 32 participants).

Tiered Fidelity Inventory (TFI) – The TFI is a standard PBIS survey. Each school’s PBIS team, or “*School Climate Cadre*” takes this self-assessment to gauge their level of fidelity in regards to implementation of PBIS in their schools.

						Data to be collected next quarter			
	By the end of Year 2: obtain an 82% positive response rate on the School Safety Perception Survey	Annual Assessment result	Percentage of positive responses in Safety Perception results	Yes	<u>FY '23</u> <u>APR:</u> 14 out of 41 total GDOE schools met the 80% target. 25 out of 41 total GDOE schools had at least 76% of their students with positive ratings in the school climate survey.	<u>Target:</u> 82% positive response on School Safety Perception Survey <u>Actual:</u> The School Safety Perception Survey will be conducted in Spring of 2025.			

PART II: *Successes, Challenges, and Evaluation*

<p>Evidence of Success/Progress <i>Per component, list quantifiable evidence using performance measures data, that supports the project's tracking towards success/progress in meeting its annual objectives (e.g., higher number of teachers retained from SY-SY, decrease in dropout rates by X% from SY-SY, % increase in 7th grade reading scores on TEST from SY-SY).</i></p>	<ul style="list-style-type: none"> • With a 95.1% actual completion rate and a 4.9% actual pending cases rate for the 1st quarter of FY '24, the SCCE project is off to a good start of working to reach its annual objective of at least 96% completion rate and at most 4% pending cases rate. • For FY '24, the SCCE project is aiming for at least a 90% Tiered Fidelity Inventory (TFI) in all three tiers (Tier I, Tier II, and Tier III). The 1st quarter yielded: <i>11 elementary schools and 2 middle schools that met the target (for Tier I); 8 elementary schools and 1 middle school, and 1 high school that met the target (for Tier II); and 8 elementary schools that met the target (for Tier III)</i>. The project has significant work to do for the next three quarters to encourage all 41 schools within the GDOE system to implement the PBIS framework with high fidelity. • The 1st quarter discipline rate of 10% and suspension rate of 3.6% are well below the project's annual targets of $\leq 30\%$ for discipline rate and $\leq 15\%$ for suspension rate. Barring any unforeseen spikes to this starting numbers, the project is on track to meet its target for both.
<p>Observations and/or Challenges <i>List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?</i></p> <p><i>At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.</i></p>	<ul style="list-style-type: none"> • Due to the close of the Fiscal Year 2023-2024 on 9/30/2024, access to the MUNIS Financial System was temporarily unavailable, which resulted in delays in procurement activities, including requisition entry, purchase order conversion, and modifications to existing purchase orders. • A recent local mandate provided funding for School Resource Officers (SRO), prompting us to request a budget adjustment to reallocate the funds, as instructed by the Superintendent. • The SCCE project is planning with the relevant personnel to expand certain activities in 4.4 Health & Safety, as there is currently limited data available for collection.

FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002

What methods, tools, and processes are used to evaluate outcomes and the quality of implementation?

- Programmatic data collected by the project: Number of referrals received, completed and pending.
- Programmatic data collected by the project: Number of trainings conducted and received.
- Results from school PBIS surveys.
- PBIS Training Exit Surveys.
- Program Evaluations.
- Parent/Student Surveys.

LIST THE PROJECT GOALS:	5a. Goal Statement: By providing supplemental supports to CHamoru classroom teachers, the Prugrâman Tiningo’ strives to: <ol style="list-style-type: none"> 1) Increase the number of CHamoru teachers and the retention rate of highly qualified CHamoru language teachers; 2) Increase the effectiveness of CHamoru teachers; 3) Increase the proficiency level of CHamoru speakers in the district; and 4) Increase the number of engaged parents in the CHamoru language program.
LIST THE PROJECT OBJECTIVES:	Annual Objective 1: The <i>Prugrâman Tiningo’</i> project will increase the retention rate of highly qualified CHamoru teachers.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

YEAR 1: 40% of all CHamoru language teachers will obtain a certificate in CHamoru pedagogy by the end of SY2023-2024.
YEAR 2: 50% of all CHamoru language teachers will obtain a certificate in CHamoru pedagogy by the end of SY2024-2025.
YEAR 3: 60% of all CHamoru language teachers will obtain a certificate in CHamoru pedagogy by the end of SY2025-2026.

YEAR 1: The number of highly qualified CHamoru language teachers who remain employed with the GDOE will increase by 3% from baseline.

YEAR 2: The number of highly qualified CHamoru language teachers who remain employed with the GDOE will increase by 5% from baseline.

YEAR 3: The number of highly qualified CHamoru language teachers who remain employed with the GDOE will increase by 7% from baseline.

Annual Objective 2: The *Prugrâman Tiningo*’ project will provide professional development training to participating CHamoru language teachers, promote the application of evidence-based instructional strategies, and develop appropriate curriculum to increase language acquisition skills of students.

YEAR 1: Through web-based surveys, 40% of participating teachers will indicate an increase in the utilization of evidence-based instructional strategies (learned from professional development opportunities or curricular resources in their classrooms).

YEAR 2: Through web-based, 45% of participating teachers will indicate an increase in the utilization of evidence-based proven instructional strategies learned from professional development opportunities or curricular resources in their classrooms.

YEAR 3: Through web-based surveys 50% of participating teachers will indicate an increase in the utilization of evidence-based instructional strategies (learned from professional development opportunities or curricular resources in their classrooms).

Annual Objective 3: The *Prugrâman Tiningo*’ project will provide CHamoru Language teachers tools that measure and monitor the proficiency level of CHamoru speakers in the district and encourage the use of formative and summative assessment data to assess students’ CHamoru language proficiency.

YEAR 1: 5% of students who participate in CHamoru language classes will perform at the Limited CHamoru Speaker Level (Level 3) by the end of SY 2023-2024 as shown in proficiency assessments.

YEAR 2: 10% of students who participate in CHamoru language classes will perform at the Limited CHamoru Speaker Level (Level 3) by the end of SY 2024-2025 as shown in proficiency assessments.

YEAR 3: 15% of students who participate in CHamoru language classes will perform at the Limited CHamoru Speaker Level (Level 3) by the end of SY 2025-2026 as shown in proficiency assessments.

YEAR 1: 15% of students who participate in *Faneyâkan Sinipok* (CHamoru Immersion program) will perform at the Near Fluent in CHamoru Speaker Level (Level 4) by the end of SY2023-2024 as shown in proficiency assessments.

YEAR 2: 20% of students who participate in *Faneyâkan Sinipok* (CHamoru Immersion program) will perform at the Near Fluent in

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

CHamoru Speaker Level (Level 4) by the of SY2024-2025 as shown in proficiency assessments.
YEAR 3: 25% of students who participate in *Faneyåkan Sinipok* (CHamoru Immersion program) will perform at the Near Fluent in CHamoru Speaker Level (Level 4) by the of SY2025-2026 as shown in proficiency assessments.

Annual Objective 4: The *Prugråman Tiningo*’ project will provide supports to increase parent engagement in the CHamoru language program.

YEAR 1: Through web-based surveys, 30% of parents who attend parent classes and conference(s) will indicate they are able to assist their children with CHamoru Immersion assignments and other activities in school.

YEAR 2: Through web-based surveys, 35% of parents who attend parent classes and conference(s) will indicate they are able to assist their children with CHamoru Immersion assignments and other activities in school.

YEAR 3: Through web-based surveys, 40% of parents who attend parent classes and conference(s) will indicate they are able to assist their children with CHamoru Immersion assignments and other activities in school.

Note: The above outcome-based performance measure starting in Year 2 (FY ’24) replaced a Year 1 (FY ’23) output-based measure (i.e. “count of parent attendees to weekly Parent Night CHamoru classes and forums”).

YEAR 1: Through web-based surveys, 30% of parents who attend parent classes and conference(s) will report an increase in the utilization of CHamoru speaking at home.

YEAR 2: Through web-based surveys, 35% of parents who attend parent classes and conference(s) will report an increase in the utilization of CHamoru speaking at home.

YEAR 3: Through web-based surveys, 40% of parents who attend parent classes and conference(s) will report an increase in the utilization of CHamoru speaking at home.

In addition, this activity also supports the instruction of the native language of CHamoru to include proficiency assessments. Status: Delayed: The project is experiencing issues in locating a possible vendor to assist us in the implementation of this activity.</p> <p>5.2.3 CHamoru Summative Assessments This activity is to procure professional services to develop and create assessments that measure speaking proficiency for all CHamoru Language & Culture Program students. Status: On-Going: Scope of work have been created and are under review for compliance within the project.</p> <p>5.2.4 Traditional Arts Curriculum/Assessment Development This activity was developed to assist with the Traditional Arts Curriculum, Materials and assessment development in order to support supplemental indigenous education goals and objectives. Status: Delayed. Due to some technical difficulties, this activity had to be delayed, however, there are current plans underway and the activity is moving forward.</p>

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

	<p>5.2.5 Visual Performing Arts (VPA) This activity provides After-School supports to CHamoru Teachers to further enhance arts i.e. <i>Kantan CHamoru / Bailan CHamoru</i> (CHamoru Song & Dance). Status: In Progress. Standard Service Agreement was approved by the FPD on 1/7/2025. A Kick-Off meeting was conducted; however, the project is currently awaiting final action from Business Office (assignment of account numbers and amounts).</p> <p>5.2.6 Professional Printing Services Professional printing services to print locally-developed CHamoru resources for Teachers & Students Status: In progress. The project has requisitioned CHamoru Dictionaries for CHamoru Student & Teacher use. The project will also print additional CHamoru Resources, however, we are awaiting quotations from vendors.</p>
<p>5.3. <i>Faneyåkan Sinipok</i> (CHamoru Immersion) 5.3.2 <i>Eskuelan Tiempon Somnak</i> (Summer School) 5.3.3 <i>Prugråman Despues di Eskuela</i> (After School Program) 5.3.4 <i>Mapoksai</i> CHamoru 5.3.5 CHamoru Cultural Experts</p>	<p>Activity 5.3: CHamoru Immersion Supports for <i>Faneyåkan Sinipok</i> (CHamoru Immersion School). Instruction in the CHamoru Language is currently ongoing in grades K-5th. There are currently 29 students enrolled in <i>Faneyåkan Sinipok</i> CHamoru Immersion Program. Supports below are all geared to assist students currently enrolled. The overarching goal of this activity aims to support student achievement in proficiency in all subjects which are taught in the CHamoru Language. Status: On-Going</p> <p>Activity 5.3.1: Teacher Assistants for <i>Faneyåkan Sinipok</i> are hired and placed in the classrooms to provide supports to the students in the Immersion School. There are 5 TA positions and all TA positions are currently filled. Status: Staffing is complete; however, instruction and support continue.</p> <p>Activity 5.3.2: Standard Service Agreement is currently being drafted. In addition, project is in the process of adopting a call-out for CHamoru Teachers. At this time, the project will provide supports to <i>Faneyåkan Sinipok</i> students. The goal of this activity is to ensure that student proficiency levels do not regress over the Summer months. In addition, this activity will assist the project in ensuring more proficient students emerge out of the Immersion School.</p> <p>Activity 5.3.3: Standard Service Agreement for <i>Despues di Eskuela</i> are currently underway. Teachers are currently providing after-school supports to Students to increase proficiency. In addition, Teachers are able to provide additional supports to students on a more 1:1 basis to ensure students are achieving maximum potential in the CHamoru Language for all subjects. Status: On-Going. 2 Teachers are currently Teaching this activity.</p> <p>Activity 5.3.4: This activity was designed for High School CHamoru Educators to provide CHamoru Language & Culture Mentorship to students in 10th-12th grade who aspire to become future CHamoru Educators. The activity will assist the Project in</p>

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

	<p>possibly recruiting additional CHamoru Language Educators- filling the dire need for additional CHamoru Language Educators across the Guam Department of Education. Status: On-Going. Standard Service was approved by FPD 1/7/2025. Documents are currently being routed.</p> <p>Activity 5.3.5: Standard Service Agreement for Cultural Experts in various aspects of the CHamoru culture (i.e. gardening/farming) Delayed. Due to some technical difficulties with the format of the Standard Service Agreement (unable to be conducted during normal instruction hours), this activity had to be delayed, however, there are current plans underway and the activity is moving forward.</p>
<p>5.4 Parent Engagement & Language Revitalization</p> <p>5.4.1 a <i>Eskuelan Manaina</i> (Parent Classes <i>Faneyakan</i>)</p> <p>5.4.1 b <i>Eskuelan Manaina</i> (Parent Classes CHamoru Language & Culture Program)</p> <p>5.4.2 <i>Komferensian Manaina</i> (Parent Revitalization Conference)</p>	<p>Activity 5.4: Parent Engagement & Revitalization. This activity was designed to assist parents with students in <i>Faneyakan Sinipok</i>. The goal behind this was to ensure that parents are able to continue conversations with their students in the CHamoru Language- ensuring minimal regression as the conversations in the CHamoru Language would boost Proficient Speakers. Status: Delayed. Due to issues (State of Emergency/Sanitation Inspections/Delayed opening of SY24-25) the Project had to move activities that were originally scheduled for September 2024 (utilizing CG23 Funding). With the delay in the CG 23, this has caused delays in the implementation of the CG 24 activities.</p> <p>Activity 5.4.1a: This Standard Service Agreement was designed for Parents in the <i>Faneyakan Sinipok</i> Immersion School to be able to continue the conversations with their children in the CHamoru Language outside of the school setting. This activity was also geared to assist parents with increasing their proficiency levels- ensuring additional proficient speakers are added to such a unique and small community. Status: On-going. Teachers completed the 1st Semester and deliverable submission is underway for project review.</p> <p>Activity 5.4.1b: This Standard Service Agreement is a Pilot Program that the project wanted to test with the CHamoru Language & Culture Program. Agana Heights Elementary School was selected as the pilot site as the only CHamoru Educator there came from <i>Faneyakan Sinipok</i> Immersion School and has experience teaching and increasing proficiency with parents who have no experience speaking the language. The project is aiming at increasing supports as well as proficient speakers outside of the Immersion School. Status: On-going. No teachers were selected for <i>Eskuelan Manaina</i> for the CHamoru Language & Culture Program, however, plans are underway to pilot this activity and measure the success/outcome(s).</p> <p>Activity 5.4.2: <i>Komferensian Manaina</i> (Parent Conference) focus is to hold mini language revitalization conferences for parents. The conference aims at bridging the gap between beginning, intermediate, and proficient speakers. Status: Delayed. Due to the State of Emergency, CG23 activity was moved to FY 2025. Project is currently in the process of scheduling and planning the next <i>Komferensian Manaina</i> (CG24 activity).</p>

Grant Award #: S403A240002**

5.4 Parent Engagement & Language Revitalization 5.4.1 a <i>Eskuelan Manaina</i> (Parent Classes <i>Faneyakan</i>) 5.4.1 b <i>Eskuelan Manaina</i> (Parent Classes CHamoru Language & Culture Program) 5.4.2 <i>Komferensian Manaina</i> (Parent Revitalization Conference)	a) Through a web-based survey, 35% of parents who attend parent classes and conference(s) will indicate they are able to assist their children with CHamoru Immersion assignments and other activities in school	Web-based surveys	% of parents who indicate they are able to assist their children with their CHamoru assignments and other activities in school <i>Note: The above new FY '24 outcome-based indicator is replacing the old FY '23 output-based indicator (i.e. # of parents attending weekly CHamoru classes).</i>	Yes	No baseline data – will be available at the end of SY 24-25 <i>Note: Since it's a new FY '24 indicator (outcome-based) replacing the old FY '23 indicator (output-based).</i>	Target: 25% Actual: On-going active communication and engagement with parents regarding the revitalization of the language through the Parent classes and conferences. Survey to be administered in the 2 nd quarter.			
	b) Through web-based surveys, 35% of parents who attend parent classes and conference(s) will report an increase in the utilization of CHamoru speaking at home	Web-based surveys	% of parents reporting increased use of the CHamoru Language at home with students	Yes	FY '23 APR: 100% of the 53 parents who attended have shown increases based on the Teacher observations and verbal testing.	Target: 25% Actual: On-going active communication and engagement with parents regarding the revitalization of the language through the Parent classes and conferences. Survey to be administered in the 2 nd quarter.			

PART II: <i>Successes, Challenges, and Evaluation</i>	
<p>Evidence of Success/Progress <i>Per component, list quantifiable evidence using performance measures data, that supports the project's tracking towards success/progress in meeting its annual objectives (e.g., higher number of teachers retained from SY-SY, decrease in dropout rates by X% from SY-SY, % increase in 7th grade reading scores on TEST from SY-SY).</i></p>	<p>At this time, the project is still in the process of compiling data relative to the success of the activities being implemented. Some activities that we are still in the process of collecting data would be the regression/progression (after Summer 2024) in terms of proficiency. In addition, the project is also collecting data on the success of the students in the classroom with the supports of the Teacher Assistants.</p> <p>One success so far is the hiring of the 5th Teacher Assistant (TA). The Project Co-Lead ensured that the TA had all required training and professional development before entering into the classroom. In addition, the Division provided supports at the school site for all TAs involved in this project. Some of the Professional Development include <i>Classroom Management, Government of Guam Ethics</i> (basic as we are awaiting the next official course), <i>Student Discipline, Health & Safety, Child Abuse, Harassment, Sexual Harassment, Relationships with Students, Confidentiality/Tort Liability, Substance Abuse, Non-Discrimination</i> and other trainings (as outlined in Guam Public Law 30-54).</p>
<p>Observations and/or Challenges <i>List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?</i></p> <p><i>At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.</i></p>	<p>At this time, the project has no observations or challenges that could anticipate negatively affecting the implementation of any of its activities. Although the project experienced delays due to the GDOE State of Emergency/delayed start of the School Year/School Closures, the project is working diligently to ensure that all activities are initiated or implemented within the timeframe allowed.</p>

	disciplinary-specific pedagogies.
LIST THE PROJECT OBJECTIVES:	<p>A. Expand student access to experiences to improve performance in math and reading and enhance their college and career readiness:</p> <p>Component 6.1. Academic Performance</p> <ul style="list-style-type: none"> YEAR 1: Improve academic performance in reading and math and reading by at least 2% from baseline on the summative assessment used by the Private, Non- public (PNP) school. YEAR 2: Improve academic performance in reading and math and reading by at least 4% from baseline on the summative assessment used by the Private, Non- public (PNP) school. YEAR 3: Improve academic performance in reading and math and reading by at least 6% from baseline on the summative assessment used by the Private, Non- public (PNP) school. YEAR 1: The percent of AP test results scoring 3 or above will increase by at least 2% for those OCE schools offering Advanced Placement (AP). YEAR 2: The percent of AP students test results 3 or above will increase by at least 4% for those OCE schools offering Advanced Placement (AP). YEAR 3: The percent of AP students test 3 or above will increase by at least 6% for those OCE schools offering Advanced Placement (AP). <p>Component 6.2. Specialized Events & Opportunities</p> <ul style="list-style-type: none"> YEAR 1: There will be at least a 5% increase in student participation in STEAM activities, other academic and non-academic special events and at least 70% of participating students will report they are more engaged in learning and confident in handling academic work. YEAR 2: There will be at least a 6% increase in student participation in STEAM activities, other academic and non-academic special events and at least 75% of participating students will report they are more engaged in learning and confident in handling academic work. YEAR 3: There will be at least a 7% increase in student participation in STEAM activities, other academic and non-academic special events and at least 80% of participating students will report they are more engaged in learning and confident in handling academic work. <p>Component 6.3. Academic & Career Planning</p> <ul style="list-style-type: none"> YEAR 1: At least 70% of participating students will indicate that College/Career Fair is helpful in providing them the information needed to prepare for a college/career path, and at least 20% of these students will indicate an interest in pursuing a STEAM college path/CTE path. YEAR 2: At least 75% of participating students will indicate that College/Career Fair is helpful in providing them the information needed to prepare for a college/career path, and at least 25% of these students will indicate an interest in pursuing a STEAM college path/CTE path. YEAR 3: At least 80% of participating students will indicate that College/Career Fair is helpful in providing them the information needed to prepare for a college/career path, and at least 30% of these students will indicate an interest in pursuing a STEAM college path/CTE path.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

B. Provide professional development and other supports for teachers to hone their knowledge and skills in technology integration and disciplinary-specific pedagogies:

Component 6.4. Professional Development

- **YEAR 1:** At least 60% of teachers participating in PD will report implementing what was learned in the classroom and feeling more confident in their teaching effectiveness (teacher efficacy).
- **YEAR 2:** At least 87% of teachers participating in PD will report implementing what was learned in the classroom and feeling more confident in their teaching effectiveness (teacher efficacy).
(Note: The annual target percentage for FY '24 or Year 2 was revised from 63% to 87% based on the actual percentage at the end of FY '22, which was the latest baseline data at the time of this FY '24 application submission.)
- **YEAR 3:** At least 88% of teachers participating in PD will report implementing what was learned in the classroom and feeling more confident in their teaching effectiveness (teacher efficacy).
(Note: Consequently, the annual target percentage for FY '25 or Year 3 had to be modified from 65% to 88% based on the Year 2 change.)

Component 6.5. Technology Support & Technology Integration

- **YEAR 1:** At least 98% of teachers in participating schools will report improved access to technology and online resources and increased integration of technology in the classroom.
- **YEAR 2:** At least 83% of teachers in participating schools will report improved access to technology and online resources and increased integration of technology in the classroom.
(Note: The annual target percentage for FY '24 or Year 2 was revised from 99% to 83% based on the actual percentage at the end of FY '22, which was the latest baseline data at the time of this FY '24 application submission.)
- **YEAR 3:** At least 85% of teachers in participating schools will report improved access to technology and online resources and increased integration of technology in the classroom.
(Note: Consequently, the annual target percentage for FY '25 or Year 3 had to be modified from 100% to 85% based on the Year 2 change.)
- **YEAR 1:** At least 94% of students in participating schools will report improved access to technology and online resources and increased integration of technology in the classroom.
- **YEAR 2:** At least 89% of students in participating schools will report improved access to technology and online resources and increased integration of technology in the classroom.
(Note: The annual target percentage for FY '24 or Year 2 was revised from 95% to 89% based on the actual percentage at the end of FY '22, which was the latest baseline data at the time of this FY '24 application submission.)
- **YEAR 3:** At least 90% of students in participating schools will report improved access to technology and online resources and increased integration of technology in the classroom.
(Note: Consequently, the annual target percentage for FY '25 or Year 3 had to be modified from 96% to 90% based on the Year 2 change.)

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

PART II: Successes, Challenges, and Evaluation

Evidence of Success/Progress

Per component, list quantifiable evidence using performance measures data, that supports the project's tracking towards success/progress in meeting its annual objectives (e.g., higher number of teachers retained from SY-SY, decrease in dropout rates by X% from SY-SY, % increase in 7th grade reading scores on TEST from SY-SY).

Component 6.2: Specialized Events & Opportunities

- In this 1st Qtr, STEAM participation is at 87% of last year's total STEAM participation. With continued STEAM activities in the 2nd, 3rd and 4th quarters, OCE is on track to significantly surpass last year's STEAM participation.
- ACB participation increased from 66 to 74. This is a 12% increase compared to last year.
- Mock Trial participation has increased from 19 to 35. This is an 84% increase compared to last year.
- In the 1st Qtr, OCE is at 87% of last year's overall participation. With continued STEAM, VPA, and music activities in 2nd, 3rd and 4th quarter, OCE is on track to reach its goal of 6% increase in overall student participation (i.e., from 711 overall participants to 754 overall participants)

For all the other components, the OCE has pending data on the rest of its performance measures. Since the earliest reporting will occur in the 2nd fiscal quarter (*for College Fair*) and then also in the 3rd quarter (for the rest), the list of quantifiable evidence to its successes is on hold until the data are presented.

Observations and/or Challenges

List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?

At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.

Father Duenas's (FD) Primary Liaison emailed the GDOE Federal Programs Division to request for a copy of the Office of Catholic Education's (OCE) Requisition Log and Purchase Orders on December 5, 2024. FD is one of the schools under the OCE.

The main challenge this quarter was the delay of the new fiscal year's (FY '24) opening of the Munis System and seeing requisitions not convert to purchase orders. We are continuing efforts on requisition by seeking quote renewals from the vendors to be submitted to GDOE to begin another requisition process for approved activities.

Another challenge is in finding vendors willing to quote several other items, art equipment, for which we requested quote.

FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002

*What methods, tools, and processes
are used to evaluate outcomes and the
quality of implementation?*

OCE evaluates outcomes through: (1) administering Smarter Balanced testing; (2) administering Advanced Placement testing; and (3) distributing surveys to students and teachers.

LIST THE PROJECT GOALS:

By the end of the three-year grant program, the St. Paul Christian School (SPCS) will have achieved the following overall goal: a) improve teaching effectiveness and skill in technology integration through professional development and technology support; and b) enhance student learning engagement and increase student performance in math and reading through expanded access to other academic and non-academic learning opportunities and building of the teaching cadre.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

LIST THE PROJECT OBJECTIVES:

- Expand student access to experiences to enhance student learning engagement and improve performance in math and reading.
- a. **7.1.1: Rigorous Academic and Technical Courses with High Quality Instruction**
Year 2: There will be at least a 3% increase in student participation in STEAM activities and other academic and non-academic special events; and at least 75% will report they are more engaged in learning and confident in handling academic work.
- b. **7.1.2: Formative and Summative Assessments**
Year 2: Improve academic performance in math and reading by at least 3% from baseline on the summative assessment used.
- c. **7.1.3: Supplemental Resources and Equipment Supports**
Year 2: At least 92% of teachers will report an increase of technology integration in the classroom strengthening students' academic performance.

Year 2: Through a student technology assessment, at least 65% of students will indicate an improvement in technological literacy and ability to access online resources.
- d. **7.2: Curriculum Instruction & Assessment**
Year 2: At least 65% of teachers participating in PD will report implementing what was learned in the classroom and feeling more confident in their teaching effectiveness (teacher efficacy).

QUARTERLY REPORT
Grant Award #: S403A240002

Observations and/or Challenges

List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?

At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.

Awaiting vendor quotes.

What methods, tools, and processes are used to evaluate outcomes and the quality of implementation?

Methods used for project monitoring include surveys, student participant rosters or attendance in activities, and/or sign-in sheets.

LIST THE PROJECT GOALS:

By the end of the three-year grant program, SJS will have achieved the following overall goal: to better equip all learners to be successful in the pursuit of higher education through expanded student access to college readiness supports and academic special events to increase student learning engagement as well as provision of professional development and technology supports for teachers to implement effective classroom instruction to improve students’ academic performance in various content areas.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

**LIST THE PROJECT
OBJECTIVES:**

5b. Annual Objectives:

A. Expand student access to college readiness supports and academic special events:

COMPONENT 1: College Readiness & Specialized Events

- YEAR 1: The percent of Advanced Placement test results with a score of 3 or higher will increased by at least 2% from the Year 1 baseline.
- YEAR 2: The percent of Advanced Placement test results with a score of 3 or higher will increased by at least 4% from the Year 1 baseline.
- YEAR 3: The percent of Advanced Placement test results with 3 or higher will increased by at least 6% from the Year 1 baseline.
- YEAR 1: At least 80% of students who participate in Academic Special Events activities will indicate being more engaged in learning and confident in their academic work.
- YEAR 2: At least 85% of students who participate in Academic Special Events activities will indicate being more engaged in learning and confident in their academic work.
- YEAR 3: At least 90% of students who participate in Academic Special Events activities will indicate being more engaged in learning and confident in their academic work.
- YEAR 1: At least 60% of senior students will report increased awareness and confidence in applying to post-secondary education
- YEAR 2: At least 70% of senior students will report increased awareness and confidence in applying to post-secondary education
- YEAR 3: At least 80% of senior students will report increased awareness and confidence in applying to post-secondary education

B. Provide professional development and technology supports for teachers to implement effective classroom instruction to improve student's academic performance in various content areas

COMPONENT 2: Increasing Academic Performance

- YEAR 1: At least 2% increase in students scoring at the "*Proficient/Ready*" and "*Advanced/Exceeding*" level in Math and ELA from baseline
- YEAR 2: At least 4% increase in students scoring at the "*Proficient/Ready*" and "*Advanced/Exceeding*" levels in Math and ELA from baseline
- YEAR 3: At least 6% increase in students scoring at the "*Proficient/Ready*" and "*Advanced/Exceeding*" levels in Math and ELA from baseline

COMPONENT 3: Improving Teacher Effectiveness

- YEAR 1: At least 70% of teachers participating in Professional Development will report implementing what was learned in the classroom and feeling more confident in their teacher effectiveness.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

- YEAR 2: At least 80% of teachers participating in Professional Development will report implementing what was learned in the classroom and feeling more confident in their teacher effectiveness.
 - YEAR 3: At least 90% of teachers participating in Professional Development will report implementing what was learned in the classroom and feeling more confident in their teacher effectiveness.
- COMPONENT 4: Technology Supports and Integration**
- YEAR 1: At least 80% of participating teachers will report improved access and integration of technology supports in the classroom.
 - MODIFIED: YEAR 2: At least 50% of participating teachers will report improved access and integration of technology supports in the classroom.
(*Note: The annual target percentage for FY '24 had to be revised from 85% to 50% based on the actual percentage at the end of FY '22, which was the latest baseline data the project had available at the time of this FY '24 application submission.*)
 - MODIFIED: YEAR 3: Participating teachers will report at least 55% improved access and integration of technology supports in the classroom.
(*Note: Consequently, the annual target percentage for FY '25 or Year 3 had to be modified from 90% to 55% based on the FY '24 or Year 2 change.*)

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

volleyball coaches plan to apply what they learned to help the student volleyball players think critically and strategize over an extensive set of aspects in the game of volleyball, including form, offensive and defensive strategies, how to drill/practice, and recording and analyzing the effectiveness of what is applied.

Also, preparations were begun this quarter for two additional professional development travel events to take place in the second quarter: the 2025 United Soccer Coaches Convention in Chicago, IL (January 8 – 12), the 2025 American Choral Directors Association National Convention in Dallas, TX (March 18 – 22), and the 2025 Council for Exceptional Children (CEC) Convention & Expo, Baltimore, MD (March 12 – 15).

Evaluation:

No survey data was collected during this first quarter, but a baseline count of 56 students from the previous school year was established to help determine this school year's percentage change in the number of students who made efforts to join one or more ASE competition.

We began preparations and practices with students interested in competing in the Academic Special Events (ASE). We exceeded our goal of a 1% increase from last year's count of the number of students indicating interest in competing in the ASE. This year's count was 67 students, a 20% increase (rounded) over last year.

Also, for the upcoming conferences for professional development of our athletics coaches, music teachers, and special teachers (teachers of special needs / gifted students), we anticipate being able to detail the knowledge, skills, and strategies that our travelers will gain from these conferences and apply in our athletics and musical arts programs as well as for our gifted students and students with special needs.

Observations and/or Challenges

List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?

At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.

Challenges:

The main challenge this quarter was seeing requisitions for music items and DSLR cameras and related accessories not convert to purchase order by the GDOE FFY23 deadline of September 30, 2024. We are continuing efforts on the requisition of these items by seeking quote renewal from the vendors to be submitted to GDOE to begin another requisition process for these items.

Another challenge is in finding vendors willing to quote several other items, art equipment, for which we requested quote.

Although these are challenges, we count it a success that the items we want to continue pursuing were added to this FFY24 (CG YEAR 2) budget narrative. This was made possible with the grant oversight taking into consideration the challenge that many requisitions can take more than a year from initial request to delivery.

FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002

What methods, tools, and processes are used to evaluate outcomes and the quality of implementation?

We continue documenting communications with GDOE in order to develop a picture of the procurement timeline.

We are tracking the status of the procurement process per activity in our school's internal records to help ensure we follow through with the items we initially identified in our budget narrative.

We are only in the first quarter, but in the third quarter, the following will be key to evaluating the outcomes and quality of implementation:

- ✓ Internal records of data sources (staff and student counts per category, survey instruments, survey results) used in these quarterly reports.
- ✓ Surveys conducted among participants to CG-sponsored Professional Development training or a coaching clinic to be informed on whether the research-proven teaching strategies gained are applied in the classroom or if things learned at a coaching clinic effectively improves coaching and enhances athletes' performance and teamwork.
- ✓ Surveys conducted among student participants in CG project activities to help the school in evaluating the impact of these undertakings on student learning and engagement.

LIST THE PROJECT GOALS:

At the end of the three-year project, GAA will have achieved the following overall goal: improve instructional delivery in the classroom, increase student achievement in math, reading, and science as well as strengthen college and career readiness by:

a) providing teachers with professional development training and supplemental resources supporting high-quality instruction; and

b) providing opportunities for students to participate in academic and non-academic supplemental activities enhancing student learning engagement and safety.

• **Summative Assessment**

10.2 Special Events & Opportunities

- **Academic Special Events**
- **Visual Performing Arts (VPA)**

The school is awaiting invites from the CG projects on the requested training listed in the left column.

Summative Assessment: *Ongoing*

Ongoing instruction in the core subject areas.

GAA students will take the *Measures of Academic Progress (MAP)* summative assessment in the Spring 2025.

10.2 Special Events & Opportunities

Academic Special Events:

- Middle School ACB, there are seven (7) students interested.
- High School ACB, there are four (4) students interested.

The word was received from GDOE that they are exploring the possibility of a one (1) day event. We hope that it would not be on a Saturday because our school would not be able to participate.

Visual Performing Arts (VPA):

- The *Tumon Bay Music Festival* (competition) held from February 26 to March 8, 2025. Eleven (11) students are estimated to participate.
- The *GAA Christmas and Spring Concerts* where parents and community attends. Seventy-five (75) students are estimate to participate.

PART II: *Successes, Challenges, and Evaluation*

Evidence of Success/Progress

Per component, list quantifiable evidence using performance measures data, that supports the project's tracking towards success/progress in meeting its annual objectives (e.g., higher number of teachers retained from SY-SY, decrease in dropout rates by X% from SY-SY, % increase in 7th grade reading scores on TEST from SY-SY).

Since the GAA has pending data on all of its performance measures for this period, the earliest reporting of which will occur in the 3rd fiscal quarter, the list of quantifiable evidence to its successes is on hold until the data are presented.

Observations and/or Challenges

List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?

At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.

A new full-time Principal was hired this school year. He will oversee the implementation of some activities in the grant.

What methods, tools, and processes are used to evaluate outcomes and the quality of implementation?

Methods use for project monitoring include surveys, student participant rosters or attendance in activities, and/or sign-in sheets.

LIST THE PROJECT
GOALS:

By the end of the three-year grant program, PICA will have achieved the following overall goal: improved academic engagement and student outcomes resulting from the provision of after-school tutoring; enhanced student engagement and knowledge to college and career opportunities due to the supplemental provision of STEAM academic and non-academic technology integrated learning experiences; and improved technology-rich classroom instruction due to the provision of high-quality professional development to teachers.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

<p>LIST THE PROJECT OBJECTIVES:</p>	<p>Component 1. After-School Tutoring. Through the provision of After-School Tutoring, students will indicate greater engagement in learning and confidence in handling academic work in reading and math. YEAR 1: At least 20% of participating students in After-School Tutoring will indicate greater engagement in learning and confidence in handling academic work in reading and math. YEAR 2: At least 25% of participating students in After-School Tutoring will indicate greater engagement in learning and confidence in handling academic work in reading and math. YEAR 3: At least 30% of participating students in After-School Tutoring will indicate greater engagement in learning and confidence in handling academic work in reading and math.</p> <p>Component 2. STEAM classes or activities. Through participation in STEAM classes and/or activities, students will indicate greater engagement in learning and an interest in pursuing a STEAM related career or post-secondary degree. YEAR 1: At least 20% of participating students in STEAM classes and/or activities will indicate greater engagement in learning and an interest in pursuing a STEAM related career or college degree. YEAR 2: At least 25% of participating students in STEAM classes and/or activities will indicate greater engagement in learning and an interest in pursuing a STEAM related career or college degree. YEAR 3: At least 30% of participating students in STEAM classes and/or activities will indicate greater engagement in learning and an interest in pursuing a STEAM related career or college degree.</p> <p>Component 3. VPA Activities. Through participation in VPA activities, students will indicate greater engagement in learning and confidence in handling academic work. YEAR 1: At least 20% of participating students in VPA activities will indicate greater engagement in learning and confidence in handling academic work. YEAR 2: At least 25% of participating students in VPA activities will indicate greater engagement in learning and confidence in handling academic work. YEAR 3: At least 30% of participating students in VPA activities will indicate greater engagement in learning and confidence in handling academic work.</p> <p>Component 4. Professional Development (PD). By participating in PD training on effective teaching strategies, teachers will report an improvement in their skills to plan and implement technology-rich lessons and improve student performance. YEAR 1: At least 50% of teachers participating in PD training will report implementing the teaching strategies learned in the classroom and indicate an improvement in their planning and instructional skills. YEAR 2: At least 55% of teachers participating in PD training will report implementing the teaching strategies learned in the classroom and indicate an improvement in their planning and instructional skills. YEAR 3: At least 60% of teachers participating in PD training will report implementing the teaching strategies learned in the classroom and indicate an improvement in their planning and instructional skills.</p>

QUARTERLY REPORT
Grant Award #: S403A240002

PART I: Section 1. <i>Activities & Work Accomplished</i>	
COMPONENT & ACTIVITIES (including travel)	WORK ACCOMPLISHED & PRIMARY DATA GENERATED
<ul style="list-style-type: none"> ➤ In this column, list all the Project Components. ➤ <u>In bullet form</u>, list all the specific activities falling under each Component. ➤ <i>Insert Additional rows as needed.</i> 	<ul style="list-style-type: none"> ➤ For each activity listed in the previous column, state the status of each activity (<i>ongoing, delayed, or completed</i>), and describe the details of the work accomplished during the period. Specify the <i>what, when, where, how, how many participants (a primary data or 'count')</i>, etc. Primary data may be presented in narrative form, or as a table or graph. ➤ If there was an activity that was not implemented during this reporting period, then simply indicate “REPORTING ON THIS ACTIVITY NOT APPLICABLE FOR THIS QUARTER”. Include the reason why the activity was not conducted for the quarter.
Component 1. After-School Tutoring	<p>Component 1. After-School Tutoring: <i>Ongoing</i></p> <p>As a replacement to the Summative Assessment activity in Year 1 (FY '23), which was removed since the PICA decided to do summative testing using a funding source other than the Consolidated Grant (CG), an after-school tutoring activity was put in place.</p> <p>The After-school tutoring activity consists of instruction in reading, math, and creative writing and fine arts activities such as piano, art, and basic dance. Students are given reading and writing activities based on their individual level in each subject. Math tutoring consists of learning and mastering basic operations and higher math concepts as needed by the individual student. On specific days of the week the (Mondays: Art), (Tuesdays: Dance) Fine arts activities are held. Students taking piano lessons practice and receive ongoing instruction every day during the after-school time.</p> <p>As of the 1st quarter, the school is working on finalizing a Standard Service Agreement (SSA) for this activity with the assistance of the Federal Programs Division (FPD). The PICA aims to utilize two (2) school staff to provide after-school tutoring instruction to students who need supplemental help in math and/or reading, guided practice for those taking piano lessons, and supplemental instruction in art and dance.</p>
Component 2. STEAM Classes or Activities	<p>Component 2. STEAM: <i>Ongoing</i></p> <ul style="list-style-type: none"> • Regular STEAM classes are ongoing. Students use laptops and iPads to do research and write essays. They also use them for interactive games, which enhances the use of technology in the classroom. • Student participants in STEAM courses/activities for SY 24-25: <ul style="list-style-type: none"> ○ 13 Elementary students

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

	<ul style="list-style-type: none"> ○ 4 Middle School students ○ 8 High School students are participating in STEAM activities <ul style="list-style-type: none"> • Reporting on Drone kits and STEM kits that have been requisitioned not applicable for this quarter because the kits have not been provided. The school is still awaiting the STEAM kits that were ordered from the CG. Training on the use of an aquaponics kit received by the school earlier will be conducted during the Summer of 2024 under the Life Readiness (LR) project. • Students participated in planting seeds for the garden. However, the anticipated aquaponics system was not provided for students to complete their garden project.
Component 3. VPA Activities	<p>Component 3. VPA Activities: <i>Ongoing</i></p> <ul style="list-style-type: none"> • The piano for this activity was delivered the last week of SY 23-24. Students were able to have their final lesson using the piano. This was not enough time for a complete understanding of the instrument and implementation in the classroom. Full usage for the purposes of piano lessons and music theory will be implemented in SY 24-25. • Student participants in VPA activities for SY 24-25: <ul style="list-style-type: none"> ○ 13 Elementary students ○ 4 Middle school students ○ 8 High school students • Some requested supplemental materials have been received by the PICA: a <i>piano</i> for use in choir, piano, and music classes. The school also received <i>drawing boards</i>, <i>drawing paper</i>, and <i>pencils</i>. Pending additional materials are still being requisitioned and/or are awaiting delivery, which include the following instructional items: <i>easels</i>, <i>colored pencils</i>.
Component 4. Professional Development (PD)	<p>Component 4. Professional Development (PD) Training: <i>Ongoing</i></p> <ul style="list-style-type: none"> • PICA has requested for professional development training on <i>Classroom Instruction that Works (CITW)</i> for two (2) teachers. • PICA is awaiting the invite and other information on the training from the Curriculum-Instruction-Assessments (CIA) project. To date, the status of requisition for the CITW training is pending, as quotations are still being sought by the CIA project.

LIST THE PROJECT GOALS:

By the end of the three-year project, the JSOG will have achieved the following overall goals: Increase student physical fitness by providing supplemental fitness resources to the core physical education program and increase the students’ average raw score from the annual physical fitness test by 5% over the baseline; increase participation rate of students utilizing supplemental resources for physical activities; and improve student engagement in learning and confidence in handling academic work.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

**LIST THE PROJECT
OBJECTIVES:**

Promoting student participation in physical activities improves student health and safety. By expanding student access to engaging and stimulating playground equipment, fundamental physical development skills can be attained. Such skills, to include sensory awareness, balance, and core strength, can lead students to improved physical fitness performance and greater participation in physical activities during recess breaks.

12.1: By the end of Year 3, the average raw score from the annual fitness test will increase by 3% over the baseline of 276.98; and there will be a 10% increase over the baseline of 60% in the participation rate of students in physical fitness activities utilizing the supplemental resources. (*Note: Year 3's end goal had to be adjusted down from 15% to 10%, which reflects Year 2's annual target objective. Procurement delays in FY '23 (Year 1) resulted in the supplemental portable equipment being received by the JSOG only in November 2024 (Year 2), and it completed installation only in January 2025.*)

- Year 2: The average raw score from the annual fitness test will increase by 2% over the baseline as a result of physical activities provided in addition to the physical education core program (282.5).
(*Note: This is Year 2's revised annual target, which was originally Year 1's annual target on this performance measure.*)
- Year 2: At least 5% increase in student participation in physical activity over the baseline (65% or more).
(*Note: This is Year 2's revised annual target, which was originally Year 1's annual target on this performance measure.*)

12.2: By the end of Year 3, at least 55% of students will indicate greater engagement with learning and confidence in handling academic work. (*Note: Year 3's end goal had to be adjusted down from 60% to 55%, which reflects Year 2's annual target objective. Procurement delays in FY '23 (Year 1) resulted in the supplemental portable equipment being received by the JSOG only in November 2024 (Year 2), and it completed installation only in January 2025.*)

- Year 2: At least 50% of students will indicate greater engagement with learning and confidence in handling academic work.
(*Note: This is Year 2's revised annual target, which was originally Year 1's annual target on this performance measure.*)

FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002

PART II: *Successes, Challenges, and Evaluation*

Evidence of Success/Progress

Per component, list quantifiable evidence using performance measures data, that supports the project's tracking towards success/progress in meeting its annual objectives (e.g., higher number of teachers retained from SY-SY, decrease in dropout rates by X% from SY-SY, % increase in 7th grade reading scores on TEST from SY-SY).

Installation of the portable physical fitness equipment has just now been completed (January 2025). This means that the school's student population can start utilizing it, and reap the benefit of lessened physical inactivity and increased physical fitness. Hopefully, this will translate into improved alertness and focus in the classroom, which in turn should help with greater engagement in learning and confidence in handling academic work.

A student engagement survey conducted at the end of the Japanese school year in March 2025 is anticipated to yield '*starting data*' attesting to the above.

Observations and/or Challenges

List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?

At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.

There was significant delay in the delivery and installation of the supplemental portable playground equipment. Instead of the anticipated schedule of students beginning to utilize the equipment in January 2024 (*based on the JSOG's approved FY '23 CG application*), item delivery took place in November 2024, and installation was completed in January 2025.

What methods, tools, and processes are used to evaluate outcomes and the quality of implementation?

Survey administration was used to determine the portion of students who consider themselves currently engaged in learning, prior to the installation of the playground equipment.

Prior to the portable fitness equipment installation being completed, a '*pre-use*' Fitness Test was conducted by the school for all its students.

Then a '*post-use*' Fitness Test to determine impact of usage of the equipment to student physical fitness will again be conducted during the last quarter of the Japanese school's academic year, in March 2025 (FY '24 2nd fiscal quarter).

LIST THE PROJECT GOALS:

During the 3-year cycle, by the end of the grant period (2025), the following goals will be met:

Administration/Supervision/Technical Assistance/Workshops

- 13.1.1. **MODIFIED:** 90% of LEAs (public, charter, PNP) will report satisfaction with process handling and implementation of grant requirements, administration, supervision, monitoring, consultation, and technical assistance provided by the SEA.
 - *(Note: The percentage goal on this performance measure for FY '25 or Year 3 was adjusted (from 93% to 90%) based on the actual percentage at the end of FY '22 (84%), which was the latest updated baseline data available at the time of this FY '24 application submission.)*
- 13.1.2. 93% of GDOE stakeholders will report (a) effective, timely, and relevant information received, (b) improved knowledge of

PART I: Section 1. Activities & Work Accomplished

COMPONENT & ACTIVITIES (including travel)	WORK ACCOMPLISHED & PRIMARY DATA GENERATED
<ul style="list-style-type: none"> ➤ In this column, list all the Project Components. ➤ In bullet form, list all the specific activities falling under each Component. ➤ <i>Insert Additional rows as needed.</i> 	<ul style="list-style-type: none"> ➤ For each activity listed in the previous column, state the status of each activity (<i>ongoing, delayed, or completed</i>), and describe the details of the work accomplished during the period. Specify the <i>what, when, where, how, how many participants (a primary data or 'count')</i>, etc. Primary data may be presented in narrative form, or as a table or graph. ➤ If there was an activity that was not implemented during this reporting period, then simply indicate “REPORTING ON THIS ACTIVITY NOT APPLICABLE FOR THIS QUARTER”. Include the reason why the activity was not conducted for the quarter.
13.1 Administration/ Supervision/ Technical Assistance Workshops	<p>The Federal Programs Division (FPD) successfully wrapped up the fiscal year by prioritizing collaboration and precision, ensuring continued support for educational programs. By efficiently allocating resources, the team addressed the needs of both schools and students. Their focus on accuracy and timeliness was evident in the handling of requisitions, purchase orders, and contracts. This achievement reflects their unwavering dedication to promoting quality education through strategic planning and teamwork.</p> <p>The FPD team continues to conduct check-in meetings and onsite monitoring to ensure that federally funded activities comply with all relevant regulations and consistently meet performance standards. This oversight helps maintain accountability and alignment with Federal requirements. The State Administration check-in visit was on November 21, 2025 to discuss FFY 2022 purchase orders, the upcoming FFY 2025 Consolidated Grant Application with the Stakeholder Feedback and Consultative Workshop to conducted from February 19 -20, 2025, and upcoming travel activities (see row below for more details). The FFY 2024 1st Quarter onsite monitoring was conducted on December 31, 2024 to evaluate FPD fixed assets.</p> <p>Monthly professional development (PD) sessions are conducted amongst State Administration personnel. This includes sharing knowledge gained at off-island conferences to ensure the team remains aligned with the latest standards and creates a culture of continuous learning.</p>

QUARTERLY REPORT
Grant Award #: S403A240002**

**13.2 Grant Meetings/ Workshops/
Grants Management Certification
and Training**

- **Fixed Assets Management System:**

Twenty (20) schools, inclusive of middle, high, and at least one (1) elementary school, were selected to pilot the Fixed Asset Management System (FAMS) website, gather data for system refinement, and receive tailored training ahead of their inventory dates. A pre-inventory training for all the schools consisted of property liaison officers (PLO) receiving their scanners and tagged tablets. The following sessions were the piloting of schools using FAMS:

- Federal Programs Division: 12/4/24 – 12/11/24
- C&I – 12/10/24 to 12/13/24
- VSABMS – 12/17/24 to 12/20/24
- AIJMS and SPED – 12/23/24 to 12/27/24
- FSAIS & CBMES – 12/30/24 to 1/3/25
- FES & AES – 1/6/25 to 1/10/25
- PCLES & HCA – 1/13/25 to 1/17/25

A project's request for additional scanners and tablets for specific roles, along with the plan to use the contract-purchased barcode printer for updating asset tags, is under evaluation to ensure alignment with the SOP and budget. The vendor is providing helpdesk support, tracking user challenges, and piloting new FAMS features like attaching documents to assets, with approvals required for any features not aligned with existing processes.

- **Pacific Research and Evaluation, LLC (External Evaluator):**

Year 5 Scope of Work includes the review of pre-existing data and generating data collection instruments, mapping of FFY'23 performance measures to existing sources and identify primary data collection needs, preparing for primary data collection for each project (LR and CIA), continuing to work with FPD to gain relevant formative and summative student achievement data, tentatively conducting site visits for primary data collection and cleaning, monitoring and analysis of pre-existing data and primary data.

Meeting dates with FPD and PRE are as follows:

- November 5, 2024: PRE received CG Quarterly Report submission
- November 19, 2024: Discussed the implementation of activities such as Teacher Recruitment, Induction, Retention, and Effective Teaching Practices
- December 3, 2024: FPD confirmed FFY '24 grant applications for LR and CIA are approved rather than being in draft form as previously recorded by PRE. These documents were used to inform project-level monthly meetings in mid-November.
- December 17, 2024: PRE is working to create an updated version of the timeline of data collection and evaluation activities.

1st Quarter document to be provided by the FPD for PRE's Evaluation:

- LR: Final FY '24 1st Quarter Report
- CIA: Final FY '24 1st Quarter Report

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

- **McREL (External Evaluator):**

Based on feedback from stakeholders within the GDOE, McREL has been contracted to evaluate three projects being conducted under the grant: (1) Classroom Supports Interventions (CSI), (2) School Climate, Culture, and Engagement (SCCE), and (3) Prugraman Tiningo'. A kick-off meeting with McREL included key team members from the projects mentioned above introducing the new evaluation team members. Monthly meetings are conducted for contract management and progress reporting. The lead researcher schedules and conducts 1:1 meetings with each project lead for ongoing collaboration.

Meeting dates with FPD and McREL are as follows:

- October 10, 2024: Evaluation project management meeting (McREL to develop project management calendar and invoice schedule)
- October 29, 2024: Kick-off meeting with FPD
- November 6, 2024: Kick-off meetings with SCCE
- November 7, 2024: Kick-off meetings with CSI
- December 4, 2024: Evaluation project management meeting (FPD to standardize survey with projects and relate to performance measures)
- December 11, 2024: Evaluation project management meeting (FY '23 APR to be ready in January)

1st Quarter document to be provided by the FPD for McREL's Evaluation:

- CSI: Final FY '24 1st Quarter Report
- SCCE: Final FY '24 1st Quarter Report
- *Prugraman Tiningo*: Final FY '24 1st Quarter Report

- **Tyler Munis Timekeeper:**

On December 5, 2025, tasks were assigned for GDOE personnel to assist the project. GDOE HR will provide a list of all employees categorized by funding code and FSAIS will collaborate with the vendor to discuss adjusting the number of participants in the initial training. Expanding the training with include more participants would be ideal and she will also confirm if there are any associated costs.

- **Effective Leadership and Communication:**

GDOE *Effective Leadership and Communication* vendor continue implementing a series of workshop events focused on improving collaboration and leadership. Initiatives include effective workplace communication, team collaboration and organizational transformation. Follow up sessions continue to be scheduled into FFY 2024.

- The FPD team continues to assist in non-CG projects (*Comprehensive Literacy State Development Grant (CLSD)*), *Federal Emergency Management Agency (FEMA)* – Typhoon Mawar related damages, and *EDFacts* data submissions. *Hazard Mitigation Grant Program (HMGP)* responsibilities were officially transferred to personnel outside of the FPD office. The ongoing efforts ensure that these initiatives receive the necessary guidance and resources for success. Time Distribution Reports are continuously generated for these projects for time keeping.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

- **Travel Activities:**
Two (2) FPD personnel attended the 2024 *Federal Grants Forum - Thompson Grants Training Courses* in New Orleans, LA from December 3-4, 2024. The Federal Grants Forum consisted of learning about grants considerations, the latest *Compliance Supplement* updates, and how uniform guidance changes will affect programs.
- Appropriate staff attended and will continue to attend the *Grants Management Concepts* training online. This training provides a foundational understanding of the federal regulations governing grant administration, ensuring new personnel are equipped to manage grants effectively. Training covers the entire grant lifecycle, from pre-award to post-award and closeout. This helps staff grasp the key stages of grants management and the specific regulatory requirements at each phase.

**FFY 2024 CONSOLIDATED GRANT
QUARTERLY REPORT
Grant Award #: S403A240002**

PART II: Successes, Challenges, and Evaluation

Evidence of Success/Progress

Per component, list quantifiable evidence using performance measures data, that supports the project's tracking towards success/progress in meeting its annual objectives (e.g., higher number of teachers retained from SY-SY, decrease in dropout rates by X% from SY-SY, % increase in 7th grade reading scores on TEST from SY-SY).

The FPD received the Grant Award Notification (GAN) on October 1, 2024.

The FPD coordinated the completion and submission of the Consolidated Grant (CG) FFY 2023 Annual Performance Report (APR) and Federal Financial Report (FFR) on December 30, 2024.

No stakeholder survey administered at this time. Focus was on provision of guidance and technical assistance to all stakeholders in their beginning implementation of FY '24 activities.

(Note: This survey was conducted in the FY '23 4th quarter).

Observations and/or Challenges

List any major observations and/or challenges encountered that affected the implementation of an activity for the quarter (e.g., issues with data validity, procurement timelines). What strategies are being employed by the project in order to ensure meeting its annual objectives?

At the end of the fiscal year, list the reasons why the established goals (and/or project objectives) were not met, if appropriate.

The FPD will work towards improving its grant administration, coordination, and delivery of technical assistance services to all CG stakeholders, to improve on its performance for Year 2 especially with the two (2) out of three (3) objectives not being met during the completion of the FY'23 Annual Performance Report (APR).

In addition to evaluations being conducted during workshops, the FPD intends to include multiple feedback sessions with schools to allow ample time for feedback, discussion and finalization of inputs and in turn achieve all the goals by Year 3.

What methods, tools, and processes are used to evaluate outcomes and the quality of implementation?

The FPD continued to monitor all requisitions, purchase orders, invoices and completion of activities on a weekly, monthly and quarterly basis. The FPD ensured all stakeholder project funds, purchase orders and activities can be closed out and expended prior to the end of the performance period. The FPD conducted monitoring site visits and interviews to determine efficacy of project implementation at the school sites.
